## Does Own Housework At 70

WITH THE HELP OF KRUSCHEN  
"For nine years now I have used Kruschen Salts and could not do without them. I take a third of a teaspoon in a cup of water as hot as I can drink it. It does not give me headaches now. I am 70 years of age in April, and just with taking Kruschen Salts am able to do all my housework duties myself. I recommend Kruschen Salts to all my neighbours. Before I began taking it I was never away from the doctor, but now I never need him. I used to have sick headaches and then was not able to do anything. But now is different. I can do Kruschen Salts." (Mrs.) J. G. Kruschen keeps the organs of the body working actively cleanses all clogging impurities from the system, and sends clear, vigorous blood coursing through the veins. And the result? No more headaches, no more nervousness, no more depression, "nerves" or constipation. Instead, a sensation of delightful freedom, life again happy outlook—in short, their good health.
