AS YOU MAKE IT

To the preacher, life's a sermon;
To the joker, it's a jest;
To the miser, life is money;
To the miser, life is rest;
To the lawyer, life's a trial;
To the poet, life's a song;
To the doctor, life's a patient;
Who needs treatment - right along.

To the soldier, life's a battle;
To the teacher, life's a school;
Life's a good thing to the graffer,
It's a failure to the fool;
To the man upon the engine,
Life's a long and heavy grade;
It's a gamble to the gambler;
To the merchant, life is trade.

Life is but one long vacation
To the man who loves to work;
To the man who loves to play,
Even health is now determined
By knowledge, food - and what we do;
Life is mostly what we make;
Friend, what's your life to you?

HAS LOST FAT FOR THREE YEARS

68 lbs. Gone Altogether

A woman writes:—"For nearly three years I have been taking Kruschen salts evening after evening, and have lost 68 lbs. of fat. My weight before taking them was 198 lbs., and it is now 130 lbs. (Compare the difference in weight between my mother and sister are also taking Kruschen and lots of our friends, and think it is not impossible to do it myself. It is not impossible to do it myself. In my case I have never denied myself anything since I started taking Kruschen salts. I walk every day, and do not eat many potatoes or much sugar. I don't think I ever had a grateful enough to Kruschen salts for the great help they have been to me, and shall never stop taking them, or recommending them to people I think need them." (Miss E. T.)

Taken every morning, Kruschen efficiently cleanses the system, and undigested food substances and all excessive watery waste matter. Unless this waste is regularly expelled, nature will eventually store it up out of the way in the form of ugly fat.
