

Where Your Dollar Goes Farther

It has always been the policy of this store to excel in values. Here are a few reasons why "Your Dollar goes farther at SILVER'S."

1. By staging frequent Sales we accelerate our turnover, preventing a large carry-over of seasonal merchandise from year to year.
2. We DO NOT sell merchandise such as have accumulated in other stores for decades.
3. Our values consist of merchandise selected from the best known Canadian manufacturers.
4. We offer Bargains in reasonable merchandise during the appropriate season (not in post-season sales).
5. Our PRICES defy all competition.

Miss Margaret Gould Gave Interesting Address

A good attendance was present at the second meeting of the Georgetown Forum of Public Affairs held Sunday afternoon at the Baptist Church. The subject of the "Problem of Social Services" was brought forward by Miss Margaret Gould, Executive Secretary of the Child Welfare Council of Toronto, who, in her charming manner, answered various questions on the "administration of such social services as unemployment relief, etc. She also brought out the fact that the percentage costs of government and maintenance of public works as against the cost of social services is a very large one.

SCOUT NEWS

Last week patrol competition began and the boys are again in the lead. They certainly enjoy eating someone else's food even when it does turn out to be egg sandwiches.

The new patrol has put its best foot forward and is even with the Beavers in points. During the evening three of the new members were initiated into the troop by means of the aeroplane ride, the blinkey ride and several other forms of black magic, and two weeks ago G. Speers was unanimously voted in as a member. Scout P. Armstrong was chosen to lead the new patrol and he has certainly tackled his new job in business-like fashion. The reason for the sudden display of energy on the part of the boys who will now have two opponents to compete against.

December Meeting of the Women's Institute

The December meeting of the Women's Institute and Mrs. Robert Egan's are synonymous and is held with pleasure that the members look forward to what is now an annual event.

After the usual form of opening and the reading and approving of the minutes a great deal of time was spent in the discussion of certain relief projects. Approval was given to the donation of \$50.00 to the Central Relief Committee, \$20.00 to the Poppy Day Fund. A request was received from Charlton County, North Carolina, asking for a bale of clothing to assist in alleviating the terrible distress in that locality. Before presenting this request the president gave the members a report on the work in charge of administering clothing supplies, that by sending such a bale, the members would be diverting to other channels, clothing that should be kept for the relief work in the home.

LINEHOUSE

Mrs. H. Lepoldewitz left last week to spend the winter with her daughter in Toronto.

The Women's Institute held a very successful euchre party at the home of Mrs. G. G. G. on Tuesday evening, Dec. 6th. First prizes went to Mrs. Osburn and Mr. Bearhope, and the consolation prizes to Mrs. Mitchell and Mr. John Packer. Lunch was served at the close of the games.

DAUGHTERS OF THE CHURCH

The president, Mrs. Frank Armstrong, thanked the Daughters for the good work they had done and the co-operation they had shown her. They asked the Rector to take the Chair. Mr. Thompson added his appreciation for the good work done, and the good spirit shown, and thanked Mrs. Armstrong and her officers for their supervision.
