Another Successful Ball and Supper

Georgetown Fire Brigade held its sixty-third annual ball and supper in the Arena on New Year's eve, when a record gathering enjoyed one of the best events in the history of the brigade. The music supplied by Johnny Waldon and his seven piece orchestra delighted everyone, and the floor manager who accompanied the orchestra performed his duties to the entire satisfaction of the dancers. Georgetown Won From Guelph on Monday 3 to 2

LOCAL JUNIORS LOSE THIRD STRAIGHT — ACTON JUNIORS HERE FRIDAY NIGHT

Milton's Intermediate entry in the local hockey group having dropped out, Guelph was taken into the league, and on Monday night Georgetown went to the Royal City for their second game this season.

Although the game itself was nothing to write home about, owing to the soft condition of the ice, it was a win for the local squad and gives the supporters something to cheer about. So with one win and one loss the locals are still on even terms—and from all appearances one of the best teams in the group.

Overcoming a two-goal lead which the Guelph boys took in the first part of the game, the Georgetown squad turned it on and won the game in the final stages by a 3 to 2 score. Anthony being responsible for two goals and Tost the other one. Ward was given credit for assists. The game was rather rough in spots and a number of penalties were handed out, especially in the last period. Allcott played his usual good game in the nets, while Tost and Anthony were also in the limelight, Schonfelt and Gemmell in the Royal net were the best for the homesiders.

Georgetown—Goal, Allcott; defence, Zimmer, Anthony; centre, Tost; wings, Ward, Cripps; subs., Hall, Gibson, Sargent, Duncan.

Guelph—Goal, R. Gemmell; defence, Schonfelt, Couling; centre, Kaiser; wings, Shears, B. Gemmell; subs., Kelly, Bloan, Beattie, Mirron.

Referee—Chas. Talbot, Preston.

NOTES

Our local Junior O.H.A. team have not had very good luck this season so far. On Monday night they went to Guelph and were defeated by Guelph entry by a 3 to 1 score. We hope, however, that they will soon find their stride and give us some real hockey before the season is over. This is their third straight loss. On Friday night Acton will be here and from all the ear-marks a good game is expected. You know we never did like getting beat by Acton. Come out and see this contest and cheer the boys to victory.

* * *

Owing to Milton dropping out of the league a new intermediate schedule had to be drawn up. It appears in this issue.

* * *

By all appearances it's between Georgetown and Acton for the league championship in the intermediate loop. Some even predict the locals as having it clinched. Here's hoping.

* * *

Klora Juniors defeated Klora Juniors on Monday night 7 to 2. Looks as if Klora might be group winners. But you never can tell.

* * *

Local Hockey fans will regret to learn that Mac (Red) Abbott, popular defence player on the Erin Shamrock hockey team, and former local defence star, accidentally fractured a small bone in his right leg, above the ankle, and will be out of hockey for some time. The accident was most unfortunate for Mac and the hockey team.

* * *

Milton's $25,000 arena will not be opened this year, and the Milton Intermediate hockey entry has therefore dropped out of the local group. The Arena Company considers that it costs too much money to operate the arena and no one has come forward to lease the building. Three of the junior players from Milton have signed with the Acton team, while our local club have been dickering over the release from Acton of a number of the intermediate players.

* * *

Owing to water lying on the ice last Friday night, the game scheduled between Acton and Georgetown Intermediates here, had to be called off.

* * *

Acton defeated Oakville in the lakeshore town last night by a 4 to 3 score.

* * *

The employees of the Glen Woollen Mills, Glen Williams, gathered in the company's shipping room on Friday, January 3rd, to make a presentation to a co-worker, Mr. W. Everson, Jr., prior to his marriage which took place the same evening. An address of congratulations was read by Mr. Albert North, followed by Mrs. Wilson Heatley making the presentation to the groom. Supper was served by the ladies working in the mills. The address was as follows:—

William Everson, Jr.,
Hill:

We, your fellow workmates, are made to understand that this evening, January 3rd, 1936, you propose to make one very important step in your life, in the form of marriage. Therefore, we have assembled here to extend to you and your bride our heartiest congratulations for a happy and successful married life.

To show you that our wishes are sincere, we would also like you to accept this small gift, which we sincerely hope will go far to build up your happy home.

On behalf of the Glen Woollen Mills Staff.

Relief Commission Meeting

The Relief Commission of Georgetown met Monday evening, Jan. 6th, at the waterworks office to close their work for the year 1935. The accounts presented revealed the fact, that while in November and December, 1934, the total amount spent was $322.00, the amount spent in the same two months of 1935 was $1044.00, just double the sum. A very careful and close scrutiny of the families on relief did not reveal any case which in the opinion of the Commission could be refused aid. It was felt that there are one or two cases where the head of the family is not doing as much as he might to help himself, but generally speaking, we believe that the great majority of relief recipients are willing to do work and earn their own support if at all possible.

The Commission appeals to anyone in Georgetown, or community, who has any kind of work for which reasonable pay can be given, to phone 15 and notify them of such jobs and men will be sent to do the work.

The Unfitmas hamper work was reported and discussed. In this connection the Commission Chairman would like those who benefitted to know that the initiative in providing hampers was taken by Mrs. J. B. Mackenzie. It appeared likely that there would be no hampers, but Mrs. Mackenzie started the ball rolling. The Commission at once got in touch with the Mayor and Chairman of the Charity Committee of Council. They promised to try to secure council backing for the Commission up to a total expenditure of $100.00, or such proportion of such a sum would be necessary after an appeal was made through the churches and private individuals for the necessary goods and funds. Mrs. Mackenzie and Mrs. Livingstone appealed to individuals for cash donations and secured $50.00. The Lions Club provided Christmas puddings, oranges, nuts, candies. The Women's Institute provided cheese, nuts, etc. The Commission appealed to the churches to help and White Gifts Sundays in the Anglican, Baptist and United Churches brought in a generous supply of food, clothing and a few toys. The Men's Class in the United Church Sunday School agreed to deliver the hampers on Christmas Eve.

On every side the men were asked to convey the thanks of the recipients for the hampers which helped bring Christmas cheer into many homes where otherwise nothing would have come.

The Relief Commission instructed its chairman to extend thanks to all for the above generous donations and to the members of the Women's Institute for their work in making up the hampers and expending money. This was done as well that the Council was not called upon to furnish any of the funds.
