## CORRESPONDENCE

To the Editor Georgetown Herald:

In your issue of Dec. 11th, it was announced that Georgetown had received a government cheque for $200.40, representing the town's share of revenue from the sale of beer and wine last year.

As press secretary of the W.C.T.U. I wrote to Dr. A. J. Erwin, of the Ontario Temperance Federation for information re the present method of collecting the tax.

Believing that the information received will be of interest to every citizen, the W.C.T.U. request your kind co-operation in presenting it to the public.

I quote from Dr. Irwin's letter: "The government receives six cents for each gallon of beer sold from the beverage rooms and five per cent on the value of the wine sold. It is impossible to tell how much of the government's receipts were from wine and how much from beer. In communities such as yours, very little wine is sold. If we regard the whole amount as coming from beer, then the results are as follows: $200.40 is one fifth of the income received by the government which must have totalled $1002.00. At six cents per gallon, this would mean 16,700 gallons of beer. It is estimated that there are sixteen drinks in a gallon which would mean 267,200 drinks, and at ten cents each this would mean $26,720.00. Of course any little expenditure for wine might change the figures and it would be well in making a statement to mention that you have ignored the small quantities of wine sold. Presumably the six cents a gallon on beer and the five percent on wine sales would be about equal; so that any error that might arise is probably small."

We suggest that Georgetown, with a population of 3,245, has paid rather a high price for that liquor revenue cheque.

(Mrs. C. B.) Catherine Dayfoot.
Press Sec. W.C.T.U

## NORVAL

A pretty wedding was solemnized at the home of Mr. and Mrs. Aaron Laidlaw, Norval, when their younger daughter, Mary Caroline, was united in marriage to Mr. Manson Frederick Hall, only son of Mr. Manson Hall and the late Mrs. Hall. Rev. N. D MacKinnon of Toronto, officiated, assisted by Rev. R. V. Wilson, Norval, and Rev. E. R. Hall, Galt. The bride, given in marriage by her father, wore a gown of blue velvet with silver shoes and matching hat. She carried a bouquet of Johanna Hill roses and lily of the valley. The bridesmaid, Miss Alexandria McKenna of Brampton, wore wine velvet, and carried talisman roses. The groomsman was Mr. Arthur Cabeldu of Guelph. During the signing of the register, Mr. James Laidlaw, brother of the bride, sang, "I Love You Truly," accompanied by Mrs. John Ysmond, sister of the bride. Rev. R. V. Wilson played a violin solo, accompanied by Miss Linklater of Grand Valley. After the wedding dinner and reception, Mr. and Mrs. Hall left on a motor trip to Western points, the bride travelling in a dress of taupe red crepe with hat to match and black seal coat.

The annual meeting of Norval United Church was held on Monday evening, Jan. 6th, taking the form of a supper, which was followed by the following toast list: Rev. R. V. Wilson acted as toastmaster and Miss Anne Linklater as secretary.

Rev. R. V. Wilson proposed the toast to the King, which was responded to by the singing of the National Anthem. Judge L. J. C. Bull proposed the toast to the United Church of Canada, which was responded to by the pastor. Col. A. L. Noble then proposed the toast to Norval United Church, which was responded to by the following organizations of the church: W.A. by Mrs. W. J. Cleave, Mrs. J. C. McLaughlin and Mrs. James Laidlaw; Choir by Mrs. M. G. Wilson and Mr. J. D. Bull; Sunday School by Mr. Lloyd Hustler and Mr. H. O. Lyons; Young People's Society by Mr. J. D. Bull and Mr. Hamilton McLaughlin; Board of Stewards by Mr. W. H. Laidlaw and Mr. G. C. Brown; Session by Mr. Frank Hustler, Trustees by Mr. K. L. Greenwood.

The finances of the church are in excellent condition, a total of over $2000.00 being raised during the year, and each organization showing a credit balance for the ensuing year.

## W.T.C.U.

The January meeting of the W.C.T.U. was held at the home of Mrs. C. Preuss, Arletta St., Friday afternoon last. Mrs. Vansattel presiding.

Following the usual devotional and business periods, the president welcomed our guest speaker, Rev. W. G. O. Thompson, who brought a helpful encouraging message, an analysis of the Christian virtues, Faith, Hope and Charity. Faith which sometimes grows dim because of the problems and pleasures of this world, we may liken to the star of the Epiphany, which guided the Magi through the devious and dangerous ways of their journey, moving ever before them until their hearts desire was satisfied. Hope is the natural outcome of faith, the super-structure of which faith is the substance or foundation. Loss of hope is only possible when the foundation in God does not exist as a sure and steadfast rock. Faith may have its times of depression, but when discouragement threatens let us recal the experience of men who, like Nehemiah and Elijah, thought themselves alone in their struggle for truth and righteousness. Both were assured that, unknown to them, many were on their side. Let us remember there are always those "who have not bowed the knee to Baal."

Charity (a much abused word is the greatest of the Christian virtues because it is the essence of God Himself, Whose new bed name is Love. To put love into all our relationships of life, in the home, in business, in society, is the only secret of true success. "Love never faileth," for "Love is God."

Mrs. Vanvatter, seconded by Mrs. C. B. Dayfoot, thanked Mr. Thompson for his very great kindness in bringing us this inspirational message.

A beautiful solo by Mrs. Nichsen added much to the pleasure of the program, which closed with a general discussion of plans for future work.

The February meeting will be held at the home of Misses McKay, Charles Street.

## MILTON

No fire insurance was paid in Milton during 1935, according to C. Earl, fire chief. There were six chimney fires and a motor car caught fire, all of which were extinguished before they caused any damage. This is a record for any town to be proud of.

Mayor George E. Elliott was the guest speaker at the Boy Scout banquet held at Acton last Saturday evening.

William Boxmridge, aged 78 years, died on Tuesday, Dec. 24th, at his home in Fruitland. He had lived in Fruitland for 17 years, and was a native of Milton.

James Armstrong, retired live stock dealer, formerly of Toronto, died in Milton on Thursday last, in his 81st year. He was born in Holland, coming to Canada more than 60 years ago. For 35 years he had been active in the cattle trade and was widely known to farmers and dealers throughout Ontario.

There was no municipal election in Milton, but the ratepayers were asked to vote on a by-law fixing the assessment on the Milton Spinning Mills for the next ten years. The by-law, which required a two-thirds vote to carry it, was carried, the vote being: For the by-law, 227; against, 16. Although 655 ratepayers were eligible to vote, only 343 cast their ballots.—Champion.

—At the regular meeting of the Burlington high school board held on Monday evening of last week, Hughes Cleaver, M.P., tendered his resignation as a member of the high school board, and a new member will have to be appointed by the town council to fill out his unexpired term of one year. In tendering his resignation, Mr. Cleaver stated that in view of the fact that his new duties would take up considerable of his time, and he would also be away, he did not think it would be fair to the ratepayers to remain on the school board under the circumstances.
