THIS AND THAT IN SPORT

Well after making a week or more, column has finally come to rest again.

No wonder it droned last week with the cold, wet weather we had. Baseball couldn't get under way, and everything else but cycling seemed to be at a standstill. However, if the weather is fine they the ball team hope to get in a practice at the park today.

And by the way, Georgetown now backs a cycle club. "Winged Wheelers" Cycle Club. A "Winged" name in sports.

Cycling took Georgetown by storm last season with a number of our boys competing in races in Toronto and elsewhere. The "Winged Wheelers" club is now being organized to be over bigger and better than ever.

The Club already boasts a membership of 15. Much credit is due to the "Winged" for the formation of the club, and his work is being information for organizing.

More good news for the Baseball Club. The Council has decided to hold 129 on the diamond this year. This will give the boys more encouragement. Then again the amusement tax they will be only 2c on the 25c admission.

May 1st will be the big day for the Baseball Club when the Arena will be open to the public.

A sports column would not be complete without mentioning Detroit as high winner of the Stanley Cup; that high school old hockey team; and the Toronto Maple Leafs as runners up.

We are anxious to keep this column alive every week, so if you have any news items to contribute, let's have them early in the week.

HANSHALL MEETING HELD ON MONDAY NIGHT

The first business of the evening was the appointment of two members to represent the Georgetown Club at the annual meeting of the Tri-County League to be held in Toronto on Thursday night, April 16th. Manager Roy Scott and Clarence King were elected.

The latter part of the evening was spent in discussing ways and means of raising funds to purchase new and needed equipment. It was decided to hold a dance and lucky number draw on Friday, May 1st at the Arena. Two committees were then formed, one to handle the dance and the other to look after the lucky number draw. New Harmony Cycle Club was engaged for the dance which later.

JOE WILCOX ELECTED PRESIDENT OF CYCLE CLUB

On Friday last a meeting of local bicycle enthusiasts was held for the purpose of forming a club. The annual meeting of the organization was held on Friday, May 1st at the Arena. The model constitution recommended by the Canadian Bicycle Club was adopted and the club colours chosen. The colours to be two-tone blue.

In a meeting which then held and the following officers chosen: President—Joe Wilcox; Vice-President—Dick Riddell; Secretary—Lloyd Sanderson. After the officers were elected the current business was dealt with. The immediate problem is the obtaining of a clubhouse for the club. Finding this very difficult and would appreciate any help which they may receive in making the club a reality.
