GEORGETOWN HIGHLAND GAMES

Saturday, July 25th

LOCAL NEWS

—Highland Games, Saturday.

—Because our water supply seems plentiful, don't waste it.

—One can't complain of having to push the lawn mower this summer.

—Next Sunday, July 26th, His Majesty King Edward VIII will unveil the Vimy Memorial.

—Don't fail to be in Georgetown on Saturday and see and hear real Highland dancing and piping.

—Those who believe we must work by the sweat of our brow, had their chance during the heat wave.

—Does the label on your Herald say July 1936? If not you are in arrears and we would appreciate a prompt remittance.

—Garden parties are not very plentiful in this neighborhood this year. If you are thinking of holding one—get your printing at this office. Quality printing at reasonable prices.

—Premier Hepburn's orders to Ontario law officers is the only method of taking care of the element which has been running rampant in the Yorks and Etobicoke Townships. Gang law will never die, and there is only one way to stamp out this class of individual.

—The time of the year is here when people who wouldn't think of eating with a fly on their table will go on a picnic and eat a meal in the presence of a thousand flies, to say nothing of the ants, gnats, chiggers, bugs and varied other flying insects and crawling critters.

—Saturday is a big day in Georgetown—Highland games and motorcycle racing under auspices of the Pipe Band. Last year some 4,000 people attended this event . . . this year nearly double the attendance is expected. Be with the crowd and be in Georgetown on Saturday afternoon and evening.

—A Tonic, gives vigor to nervous, rundown people—for backache, sick headaches and general weakness. Dr. Hammond's Brain and Nerve Pills, 50c box—three week's treatment. Recommended by MacCormack's Drug Store.

Lt.-Col. Cousens Honored

Lieut.-Col. Gordon Cousens, commanding officer of D Company of the Lorne Rifles, who is being transferred to the command of a reserve battalion, was last evening presented with a pair of military brushes by members of his company. Major Louis Keene of Oakville, second in command, will carry on, temporarily, as commanding officer.

Superintendent Commended

Frank Thompson, superintendent of the Joint Children's Aid Society of the counties of Halton and Peel, had dispersed all but two of the 19 wards of the society from the Gordon Home at Milton, and had found them suitable boarding homes throughout the two counties since the last meeting of the society, late in June, it was reported at last week's meeting of the society in the Brampton courthouse. Mr. Thompson, who is to be provided with an assistant in the near future, by vte of the executive at the June meeting, received high commendation from the members last night.

Ban Gambling at Fairs

A ban on gambling at fall fairs has been advocated by Inspector J. A. Carroll of the Ontario Fairs and Exhibitions Association. Mr. Carroll recently announced that his department had completed a long list of regulations, which will be adopted for country fairs. On the black list are slot machines where results depend on chance, indecent burlesque, money wheels, coin tables, ride, crown and anchor boards, shell roll-down bucket, three-card monte, swinging ball and punchboard. Not one of these under any circumstances will be tolerated. Gypsies it is decreed, are not to be given space or allowed to operate, while the practice of palmistry will be confined to reliable persons, known to the management. High pitch men, operating jam auctions, are also to be prohibited from the fairs.

HAY AND CORN DESTROYED IN SCOTCH BLOCK FIRE

200 Volunteers Literally Beat Fire Into Ground

Nearly 200 farmers of the Scotch Block and Speyside district worked strenuously last Thursday afternoon and finally succeeded in beating out a grass fire on the farm of the Misses Moore.

The fire, which is believed to have been caused by a cigarette or match consumed a large field of hay and corn.

An alarm was sent in to the Georgetown Fire Department, but as the truck was not equipped to combat such fires in the rural districts, it was not taken. However, a number of the local firemen volunteered and went to the scene of the fire and helped to beat is out. Lack of water hindered the fire fighters.

BRAMPTON COW WINS WORLD'S RECORD

Brampton Basilus, a little blonde Jersey cow, owned by the H. H. Bull and Son farm has been acclaimed the world's champion cow for the production of butter-fat for three consecutive years.

In the three-year period she has produced 60 times her weight in milk or enough to put a quart on 32,864 doorsteps. In that milk there was 3,002 pounds of butter-fat, more than any other cow in any country in the world has ever given.

Brampton Basilus's rise to fame is somewhat similar to that of an ordinary plater becoming a stake horse in racing circles, for the little Jersey was one of a number that was nearly sold for a few dollars five years ago.

General sympathy is felt for Mr. and Mrs. Roland Allen and family in the death, last Thursday, of their fifteen-year-old son, Lloyd, at the Guelph General Hospital. A week previously Lloyd had been taken ill and the trouble was diagnosed as appendicitis. An operation was immediately performed, but complication developed and he passed away. He was a bright lad, keenly interested in farming, and for the past year or so had been with his grandparents, Mr. and Mrs. John Akitt, on their farm at Cheltenge, where he was as beloved as in his own home.—Free Press.

CEDAR CREST GOLF COMPETITIONS

MEN'S SECTION

The committee of the local golf club have completed the draws for the various annual competitions. Players are expected to get in touch with their competitors and play the matches as soon a sconvenient. A fee of 35 cents per entry is being charged to provide funds to purchase a miniature cup for permanent possession of the winners.

The numbers opposite each name denotes the players handicap. All games are for 18 holes; the club shield and the Cotton cup competitions are match play—play stymies. As the J. A. Willoughby cup is medal competition the games should be played on the one day. This date will be announced by the committee.

BIG SILVER NICKEL CALLED

"One of the hardest things the church has to face is the big silver nickle," said Rt. Rev. John T. Lount, Lord Bishop of Ontario speaking at the unveiling of a tablet in St. James Memorial Hall at Jarrorville recently. "The big nickle is as widespreded and as common as sin itself," he said. "It is often a matter of wonder to me how people manage to collect so many of them. People contribute adequately without complaint to amusement. Probably if these people fully realised the problems of the church, they would be of greater assistance."

Georgetown Band Places Second at Waterloo

Lorne Rifles (Scottish) Band Place Second to Hanover in Class "B"—Joe Wilcox Wins Three First Prizes—Frank Carter and Norman Herbert also Winners.

Canada's greatest band show. This distinction was again claimed for the Waterloo Band Festival through presentation of another grand display last Saturday. It was the fifth annual festival, staged by the Waterloo Musical Society, culminating in a colorful tattoo for which Waterloo Park was jammed with one of the largest crowds in history. The audience was larger than at any previous festivals, being estimated at 12,000 to 15,000. Thousands lined the route of the early-evening parade along King and Young streets.

In all 24 bands participated in the day's events. While this is not the largest number of bands attending, it represented an increase of five bands over the 23 taking part in the 1935 festival.

The Lorne Rifles (Scottish) Band of Georgetown retained a high standard as on previous occasions, and placed second to Hanover Citizens' Band with 73 points, while the winners had 78 points. Although not winning first prize this year, the Band did honor to themselves and the town by being well to the fore among the many bands present. The citizens of Georgetown have always been proud of their band, and their line showing at Waterloo on Saturday reflects much credit on Bandmaster A. H. Perfitt.

In the solo competitions Joe Wilcox again brought honor to himself and Georgetown by being awarded first prize in the classes 16 years and under, 15 years and under, and 14 years under for best cornet soloist. Frank Carter won second place as clarinet soloist in the class under 16. Norman Herbert was winner of second prize in the oboe contest for soloist under 25. Congratulations are extended to the Band and these young musicians on their very fine showing in competition with many from all parts of Ontario.
