## HOW TO MAKE ICED TEA

Before the hot days of summer, it is a good idea to make a stock of iced tea. It is a refreshing beverage and can be made in large quantities. The recipe is simple and requires only a few ingredients. The tea is made by steeping tea leaves in water, then adding sugar and lemon juice. The mixture is then cooled and served over ice cubes.

## "SALADA" ICED TEA

Depends largely on the quality of tea and sugar you choose. We use a strong tea and a good quality sugar. The result is a refreshing and healthy beverage.

## MAKE A WILL

If you die without a will, here's what the law does: 1. If a wife is left, she receives one-half of the net estate. 2. If a husband is left, he receives one-half of the net estate. 3. If a child is left, the estate is divided equally among the children. 4. If no child is left, the estate goes to the next of kin. It is important to make a will to ensure that your property is distributed according to your wishes.
