THIS AND THAT IN SPORT

The Milton baseball team, who were the group with Georgetown this summer, are still in the hunt for the O.H.A. championship.

These Milton boys have been going "great guns" this summer and now that the season is over, we hope they will go on to bigger heights.

Milton arena has been rented from the trustees by the Town Council for the coming season.

Watch for the date of the bike races which are expected to be held within the next couple of weeks.

With the hunting season not far distant, we publish the following regulations which aim to preserve wild life and the contents of the woods.

Never in sport endanger human life.
Never kill wantonly or needlessly, or brutally.
