## Esqueing Agricultural Society Held Another Successful Fair

### Good Showing of Livestock—Hill Exhibit Very Attractive— Races Keenly Contested—Musical Program by Lorne Riffes (Scottish) Band.

Esqueing Agricultural Society were favored with good weather this year for their thirtieth annual fall fair which was held at Georgetown on Friday and Saturday last.

The exhibits in the hall and on the grounds were exceptionally good, but some of the classes were not as well filled as in previous years. The exhibit of fiddle, sheep and pigs was exceptionally good and much above the average.

The fiddle exhibit was very fine and the quality of the exhibits was good. The large display of fancy work proved very attractive to many of the ladies. There was a good exhibit of grain and also roots and vegetables. The home-made baking, dairy, butter, and food exhibits were well up to the average as were also the apples, fruit and nuts.

The Lorne-Riffes (Scottish) Band, winners of first prize at Toronto last year, rendered an excellent program of music during the afternoon and the day proved very enjoyable to the large gathering who attended this big annual event.

There was a regrettable accident during the sheep race when the rider of Mr. S. G. Gowan's horse of Brampton was thrown on the second jump and quite seriously injured when the horse bolted on him. After receiving medical attention he was removed to Brampton Hospital.

President James Fisher and his Board of Directors worked hard for the success of the fair this year and we all thank them for their effort.

Following is the list of prize winners:

## OBITUARY

### EDWARD DONKIN

Edward Donkin, one of Burlington's best known and most respected citizens, passed away at his home, 715 Pine and Elizabeth streets, on Sunday morning, September 27th, after a brief illness, in his 74th year. The deceased was born at Portland, New Brunswick, Canada, and with his family came to Canada 22 years ago and took up residence in Burlington, where he has resided continuously ever since. For the last fifteen years he was editor and proprietor of the Gazette under the name of "Uncle Tom," which were read far and wide. In his early days he was a writer of articles for the Gazette, and he was known to most of them. He took a great interest in the welfare of the town and served on the public school board for three years. He was a director of the Burlington Hospital for the last five or six years, being a great lover of nature. He was a life member of the Methodist Church of the Upper Canada Bible Society, and had acted as secretary for over 10 years. He was a member of the St. Andrew's Anglican Church, and for many years, donor of the Sunday School. He was a devoted Christian and had always taken an active part in the church and Sunday school work. He was greatly interested in the welfare of the young people and delivered addresses at many Sunday School and young people's gatherings. He was a member of the British Royal Canadian Legion and strongly supported its principles, writing many articles for the members of the Legion. He was a great lover of his country and was a member of the Canadian Bank Commerce staff, Ottawa; four daughters, Mrs. Allan Davidson of Burlington, Mrs. Mary Ann, Miss J. and Miss M. at home; also one sister, Mrs. J. Valiani-Hawell, Newcastle on the Tyne, Canada.

## CHURCHILL NEWS

The 20th Anniversary of the United Church last Sunday and Monday, September 28th and 29th, were days of rest and joyousness when in spite of a rain, large gatherings assembled in God's house for worship and social enjoyment.

Rev. Albert Leever, B.A., of Huttonville, special speaker on Sunday took Old Testament themes, both morning and evening, picturing vividly the sweet loyalty of Ruth to Naomi and Naomi's God and also the courage of Esther in facing the King at risk of death for the sake of Mordecai and the Jewish people. "If I perish, I perish." "Today he said, 'I have not had courage and courage are needed for our Church, mainly for all that, a high God, holy love against the world and its lure'."

The choir, with the assistance of Miss Ruth Gibson, Mr. G. Macleod, Mr. Norman Gibson of Acton, and Miss Akitt, Woodside school, rendered a most beautiful and touching service. Monday evening's Pulpit School and entertainment were of a high-class nature. The supper was most plentiful and much credit is due to the ladies of the church for their excellent and efficient management of the service. A most delicious and satisfying chicken meal, following the special service, was prepared and given by several artists.

Rev. A. N. McMillan, B.A., of Newmarket, presided at the service with several impersonations of characters from Charles Dickens' work, "A Christmas Carol," rendered beautifully. Betty Gibson and Billy Vincent sang charming duets. Robert and Muriel Stephenson entertained a most interesting and interesting service. A most delicious and satisfying dinner was served by the ladies of the church. The pastor, officials and Women's Association officers on behalf of the church wish to thank all who have contributed toward making this year's anniversary service a real uplift and a happy and joyous and gratifying one. We look forward to greater services and plans are already being considered for making the closing years of the century the best yet.

## SCOUT NEWS

### A Village That Ran Out of Boys

After a lapse of two years, a Boy Scout Troop is being reorganized in Queenston, Ont. Reason for lapse—the village had run out of boys.

"No little" litters "These:

A 750-mile "hike" around southwest Ontario, with a proud and cooking tent, was the summer holiday of the Scout Troop of Queenston, Ontario. They averaged 70 miles a day, had no accidents, and returned healthy as a pair of boys could be.

Kept full of Orphans

One of the jobs of Toronto Scouts on duty this year at the Canadian National Exhibition was showing the sights to a large number of orphans who were enjoying the annual Shrine. To prevent them from getting lost, the children were taken around in batches of twenty or more, on a rope, with a Scout at either end.
