B. ink public is manifest by the ever-in-Alton were spokesmen for a deputa- creasing number that turn out at the tion of ratepayers personally interest- bockey practices. This is giving the ed in the construction of the new boys great encouragement, and they middle road, and who asked the co-operation of the council with a view real bookey for Georgetown the winoperation of the council with a view to approaching the department of highways relative to boulevard crossings on the new highway. It was understood that according to plans now under consideration by the department, boulevard crossings would only be possible every mile and a quarter, which the ratepayers considered would be a great inconvenience to farmer, along the new highway, particularly, at seasons when it was customary for neighbors to change work with each other, such as threshings and silo filling. Thus, a man going to work for a farmer immediately opposite would have to travel anywhere from a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to a mile and a quarter of a mile to the hockey fairs of Georgelown and district are not out to the first game of the road to reach his neighbor's place. Mr. Treckon was very emphatic in his contention that access to the highway from his

that access to the highway from his contention own entrance was the right of every resident along the highway. The warden agreed with Mr. Breckon and stated that if there was any fighting to be done, now was the time to do it. "Hear, hear!" from members of the deputation. The discussion took up considerable time, but the gist of it "was very much along the same lines as given by Mr. Breckon and Mr. Alton. It was finally moved by Mr. Cilbert, seconded by Mr. Thorpe, "that the road committee of this council be instructed, in conjunction with Hughes Cleaver, M.P., and T. A. Blakwlock, M.P.P., to take up with the department of highways the question of securing sufficient openings in the boulevard of the new Toronto-Hamilton highway to meet the requirements of the adjoining residents and that the co-operation of Peel county be secured if they have the same problem."—Carried.
