

ARNOLD—In Toronto Western Hospital, on Saturday, January 2nd, 1937, Herbert Thomas Arnold, beloved husband of Melvina Bennett, in his 70th year.

OBITUARY

JOHN S. MCNAULY—Limestone had one of the oldest residents on Dec. 20th, when John Smith Kennedy passed away at Clapham General Hospital. He was born in Welland County 65 years ago, had resided in Limestone for the last 60 years, and died less than 15 minutes, the last six of which he spent in the Limestone United church, an hour-old man and a good citizen. The funeral took place from the home of Mr. and Mrs. Wm. McNauly on Friday, the service being conducted by Rev. Mr. Stephenfield and the remains taken to Conestoga Cemetery for interment. The pall bearers were Rev. Mr. Kennedy, Allan Norton, John Stewart, Stewart Wright.

MARGARET DAVIDSON—Died suddenly and unexpectedly Margaret Davidson, on Saturday, Jan. 6th, when Margaret Davidson, widow of the late George Mair, passed away at the home of her daughter, Mrs. Mrs. Gladys Hill, Georgetown. She was 70 years old.

GEORGE H. CROFTON—A daughter of the late Mr. and Mrs. Wm. Davidson, and was in her 70th year. Mr. H. H. Crofton survived her, as well as Charles F. Near of Newmarket, and two daughters, Mrs. Gladys Hill of Georgetown, five brothers, John, George, Tom, Charlie, and Gidey, all of whom have homes in Hamilton, Kenneth of Ingleside, Alfred of Sarnia, and one sister, Miss Charles Price of Terra Cotta, also survive. She was a member of the United Church and president of Georgetown for the past 25 years. The funeral took place on Monday to Bloor Mills Cemetery, the services being conducted by Rev. Mr. McNauly. The pallbearers were: John Alfred and James Davidson, brothers; Chester Hill, son-in-law; Albert Hill, grandson; Wm. Davidson, nephew; Lorne and Brampton papers present.

AN OPEN LETTER

To the Readers of the Herald

The public press has had much to say during the past week about the "Safety First" campaign which John L. Brown helped to provide, on the streets of Toronto Christmas eve. 150 persons were injured, several fatally.

There shall not drink intoxicating liquors is not a law on our statute books, but it is written in the constitution of the human body. Experience has shown that the evil effects of alcohol will affect upon the body and mind of those who indulge in its use, but it has remained for modern scientific research to prove that such effects are produced by numerous and varied tests made by scientists finally to the fact that ALL-OHOLIC is a NARCOTIC DRUG.

That formerly there was a law against the driving of the drunken driver is universal. What is not so often heard is denunciation of the self-indulgence which leads man to take such risks as will make him INCAPABLE OF KNOWING when he is INCAPABLE OF DRIVING A CAR. While under the influence of the drug it is not normal, but it is natural, to drive because of its stupor-like effect upon the brain and nervous system. Persistent use, even in moderation (1) most easily results in a loss of control.

Such an intelligent consideration of these facts would suggest that Wisdom places John Barleycorn in a strictly reducing diet in order that man may not kill himself in his greed and that abstinence must be the watchword of all who believe in the "Safety First" principle.

On behalf of the W.G.T.U. of Georgetown, R.J. Alberta Vannaller, President, and Mrs. C. H. Catherine Dayfoot, Press Secretary.

William Reid for seventeen years in charge of hydroelectric installations in Brantford was transferred to Waterloo where he continues in the same capacity with the company. Mr. Reid has been a long-time man for undivided service, a year—his entire life. His days were spent in Harris and Colwood. He came to Brantford 17 years ago. In addition to his duties here he conducted a dance orchestra as a side-line for 13 years and also gave instructions to first aid classes. He condition might have caused the death of a young child playing the game of "ring around the rosie" and he would be charged with operating an illegal machine." He commented—Conservator.

CARD OF THANKS

I hereby convey my sincere thanks to Mr. K. R. Maguire, Mr. Hugh Murphy, the Georgetown Pipe and Steel Company, and all others who are kind enough to accept my thanks and appreciation for their votes and other ways to win the Norfolk Planters and Auditors Contest trip to New York and audience with Colgate Broad-casting—Johnny Hammer, Georgia Town.

Georgetown's Intermediate Hockey Team Off to an Excellent Start

Swamp Guelph 7 to 1 on New Year's Day in Fast Skating Affair—Lose to Acton 3 to 1 in Strenuous Battle Monday Night—Play in Guelph This Evening.

ACTION INTERMEDIATES HERE FRIDAY NIGHT

By G. McNauly.

The Georgetown Intermediate team embarked on a promising hockey voyage over the week end, when they skated and lost in two games.

The team to the former was put together by Mr. H. Ward, who listed distinctly what he now knows what it is but knows plenty of the cause and effect, to that magnetic attraction that draws us to the local arena.

A toast to the company was proposed by the club secretary, Mr. G. Ward, to Mr. H. Stone, the president of the company, the aims of the management to build up the plant,

the breaks in the second period and took advantage of them while Georgetown failed to take their breaks into the third period.

The first period saw the local skating fast and turning it on, with Action content to play a more leisurely brand of hockey.

It is some years since the local hockey club have dropped such a fine intermediate team over the boards, and to many more have showed very poor sportsmanship for the first game.

Georgetown had all done their best in the first period, but the heavy checking by the heavy检查 but at the time did they budget in such a penalty at the first

of the second period. Action took

advantage of this break and applied the power plays, disorganizing the local team.

Mr. Ward accounted for this

from close in. Makino had the misfortune when trying to clear of the puck out of the net, but he was not noticed under the coaching, and Ward still pressed hard with renewed spirit after the Mario goal, and Lindsay broke away to make the score 7 to 1.

In the second period, the local boys tried to gain even more speed and skated the Georgetown outfit off their feet.

First it was Tost to score, then Post, then Tost again, while the half was over, and for Guelph to score, and to get their last goal past Makino.

Guelph then got his second

counter of the game, with W. Richyard and Anthony counting two more to make the score at the end of the game 7 to 1.

It was a great game from the local boys, and to gain even more speed and skated the Georgetown outfit off their feet.

First it was Tost to score, then Post, then Tost again, while the half was over, and for Guelph to score, and to get their last goal past Makino.

Guelph then got his second

counter of the game, with W. Richyard and Anthony counting two more to make the score at the end of the game 7 to 1.
