Reticent Patriots

An American staying in a London hotel was introduced to an Aberdonian who asked him: "An what country do you belong tae?"

"The greatest country in the world," replied the American.

"Man! so dae I," replied Sandy, "but you dinna speak like a Scotchman."

White Friend—Mose, do you think it right to leave your wife at the washtub while you spend your time fishing?

Mose—Oh, yassah, Mah wife don't need no watchin'. She wuk jes' as hard as Ah wuz there.

You don't know how good food can taste unless you've eaten a slice of bologna and a slice of onion between two pieces of rye bread at midnight.

Passengers Control Air Supply.

INDIVIDUAL control is a feature of the air-conditioning of Canadian National Railways sleeping cars. The passenger has an inlet by means of which the volume of tempered and filtered air is controlled in each berth. Air-conditioning equipment on Canadian National trains has worked to the entire satisfaction of passengers and car designers alike and has provided "June in January" comfort throughout the year.

KILL that Common Cold To night take GROVES Laxative BROMO QUININE

At the first sign of a cold go right to your druggist. Buy a package of GROVE'S BROMO QUININE. Start taking the tablets two at a time. Grove's will check that cold within 24 hours. 437

CHATTER

To those who talk and talk and talk
This proverb should appeal;
The steam that blows the whistle
Will never turn the wheel.

THE ROAD TO GOD

Where tends this hard and toilsome way?
It is the straight and narrow road
That leads to God from man's abode.

A cross my burden all the way?
Ay, 'tis a sign that thou wouldst feel
Beyond thine own another's weal.

Hands there no inn beside the way?
Nay, wouldst thou wish to dream awhile?
And bear-bought hours with play beguile?

And if I faint along the way?
Then shalt thou know, as ne'er before
His sorrow who did suffer more.

Open there no guide to point the way?
Ay, One — the first to share thy woes.
Thou canst not think how near He goes.

How shall I know where ends the way?
There One whose face thou wilt recall
Shalt meet with thee, and tell thee all.

—Howard Arnold Walter

WOMEN'S INSTITUTE

Mrs. George Ford opened her home on South Main Street to the Women's Institute on Wednesday last for the first meeting of the New Year. About thirty ladies were present.

The meeting opened with the President, Mrs. D. Livingstone in the chair. After the opening exercises, and the reading of the minutes, various items of business came up for discussion.

A Euchre party having been planned for later in the month, a committee composed of Misses Hazel Marshall, Bella Wheeler and Mrs. Robinson, Mrs. Livingstone and Mrs. George Campbell was named to make necessary arrangements.

The February meeting being planned as a social evening a committee was also appointed to arrange for this event as follows: Mrs. F. Cole, Mrs. Feller, Mrs. Duncan, Mrs. Robinson.

Mrs. Erwin reported briefly on the work of the Local Needs Committee during the past month, and Miss Hazel Marshall reported for the Flower Committee.

On a motion of Mrs. Paul, seconded by Mrs. Whitmee, it was carried that the Institute become affiliated with the Local Council of Women, and Mrs. Paul and Mrs. Whitmee were appointed representatives to the Local Council of Women.

Miss Watson as captain of one side in the membership contest and Mrs. Campbell acting for Mrs. Synder, called the Roll, the members responding by naming a noted woman.

Mrs. Paul for Current Events gave a splendid summary of the outstanding events of the year 1936.

The main feature of the afternoon's programme followed. This was an address by Miss Aikenhead of the Department of Health on "Mental Illness." This address proved exceedingly interesting and helpful and was greatly enjoyed by all present. Miss Applebe voiced the general appreciation in a warm vote of thanks to Miss Aikenhead for her message, and to Mrs. Ford for her hospitality on this occasion.

An added feature of the programme was a demonstration of hot supper dishes given by Mrs. Harold Cleave and Mrs. D. Livingstone, and these appetising dishes formed the base of the delightful lunch which followed, and which brought to close a very pleasant afternoon.

Georgetown Puckmen Defeat Guelph Make it Close With Acton

Guelph Intermediates Out-classed 6 - 1—Actonites Win 2 to 1 in Close Tussle—Game featured by Hall's Outstanding Defensive Work—Large Crowd Fills Arena, While Teams Battle Through Water and Mist.

GEORGETOWN SOON TO HIT TRUE STRIDE

By G. McGilvray

Georgetown Intermediates had a full schedule last week with four games in all. This did not give the boys much time for rest. However, they broke even, winning two games and losing two.

On Wednesday night last they outplayed the Guelph team 6 to 1 in a wide open hockey affair in the Royal City. Although Guelph had a goodly share of the play, they were lost as finished around the net, and the brilliant goaltending of Malone put an end to many a sure marker. That was in his best form for Georgetown said was the star of the game, scoring four goals, while the veteran "Chesty" Brill was a stumbling block for the locals on the forward line.

Georgetown scored the first goal of the game when Teal took a pass from Anthony and went in close to beat Johns. In the second frame Georgetown scored again while playing a man short, with Teal counting again. Guelph's only counter came in this frame with "Chesty" Brill being the marksman.

Play continued fast in the third period, and Frank Brechenit received a cut eye when he bashed Kisner on a Guelph rush. Teal then batted in a lose puck and Wood sent Teal combined on another play to make the count 4 to 1. "Walt" Richardson then finished off the evening's play with two more goals.

Although Guelph were out-scored 6 to 1 they put up an excellent game and were outhanded on many occasions.

Georgetown—Goal, Malone; defence, Hall, Anthony; centre, Teal; wings, Galbraith, W. Richardson; subs., R. Richardson, Post, Crichton, Ward, Dewhurst.

Guelph—Goal, Mathers; defence, McMillan, Brill; centre, Kisner; wings, Meron, Ridley; subs, Kelly, R. Sloan, M. Sloan, Dobrohir and Gushing.

Referee—"Speedy" Oliver, Galt.

It was a large crowd of hockey fans that took advantage of the mild winter weather last Friday night, and came down to the arena to witness a game of "water polo" in a real "pea souper." Nevertheless, the game was not as bad as was anticipated it would be, and the boys received a large helping of hockey for their money bits, and the players their week end bath. The mist hung so low near the end of the game, that you could not see the players from one end of the ice to the other.

Georgetown Intermediates, already a threat in O.H.A. circles during the past several seasons, looked ahead at this game with confidence of victory before the play-offs. This was the second game between two (should we say) of the most outstanding rivals in western Ontario, and each game put a greater score into the Athletes and their fans, and more hope in the hearts of the Georgetown fans. Friday night Georgetown turned on the steam (well, there was mist anyways) and how they did it. They stated this supposedly unbeatable Acton team almost sleepy in the first and third periods, only to have the hard luck of being out-scored 2 to 1. Every fan present was of one mind in their praise for the Georgetown team, and the time is not far distant we believe, when the local team will shake off the jinx and at last turn the tables on the Tannery lads.

Although the ice was anything but desirable for good hockey, these two teams put up one of the speediest and roughest games of the season. Georgetown carried the play to Acton all through the first period, while Acton were content to shoot the puck up the ice—which proved very popular with the crowd, and showed a very poor sporting spirit. Georgetown never failed to give their best all they had and that's the kind of a game the crowd go for—win or lose. Joe Mole played a bang-up game, and when he unassisted broke up a three-man Acton rush was thanked to the tune. He proved most effective body checker his best game of the year. Acton counted their first goal in this period when Malone failed to stop Lindsay's shot from close in.

The second period opened with Everitt doing his best to pair it up with Ward, only to have referee Worthy sentence him to the cooler. It was easily noticed then that Worthy was a favorite with the Georgetown crowd by the number of "boos" that burst forth. However, this did not daunt the spirit of the Athletes and Lindsay golfed in another lucky goal. Penalties became more numerous as play opened up again.

Georgetown started the final period a man short, but Acton failed to score. With the teams evened up again, Post beat Woods for Georgetown's single goal, when both teams were scrambling around the goal mouth.

Woods in the Acton net was almost unbeatable and spoiled many sure goals for the Georgetown squad. Lindsay and Terry went well for the visitors, while Hall, Teal, R. Richardson and Anthony with his long drives, played smartly for the locals.

The Georgetown team is expected to hit their true stride anytime now, and Georgetown fans will continue to lend their sport to a team that will play sixty minutes of wide open hockey.

Georgetown — Goal, Malone; defence, Hall, Anthony; centre, Teal; wings, Galbraith, W. Richardson; subs Post, Ward, R. Richardson, W. Ritchie, Dewhurst.

Acton—Goal, Woods; defence, Kentner, Walters; centre, Terry; wings I. Martin, Lindsay; subs, Mooney, K. Martin, Arbic, Gibbons, Exard.

Referee—Ernie Wortley, Toronto.

Juvenile Hockey Club Held First Meeting

TWO MINUTES' SILENCE OBSERVED IN MEMORY OF THE LATE ANGUS DUNCAN

For the past five or six years Georgetown has been favored to have a Juvenile Hockey League, and this year is going to be no exception. On Thursday night last, all interested in juvenile hockey met at the arena and elected and re-elected their officers and managers for the season. At the opening of the meeting two minutes' silence was observed in memory of the late Angus Duncan, president of the Juvenile Club last winter, and for many years coach and manager of hockey teams in Georgetown. The officers elected were:

President—Garfield McGillvray.
1st Vice-president—Chas. Evans, Streetsville.
Secretary—Geo. Riddall Sr.
Managers—Graham Parnell, George Sargent, Georgetown; Eddie Hill, Glen Williams; Chas. Evans, Streetsville.

The League this year will be composed of two Georgetown teams, and teams from Glen Williams and Streetsville. It will be remembered that Streetsville won the cup last year.

A trophy, in memory of the late Angus Duncan, will be put up this year by the club, and will be awarded to the most efficient player in the league. This does not necessarily mean the player scoring the most goals, but more for the most gentlemanly, clean hockey player. The trophy to be played for annually.

The Club commences the season with a very substantial balance, and your support at the games will, we hope, all that will be asked for.

Juvenile hockey plays a very important role in Georgetown's hockey system. Many boys, up to 18 years of age, who are not quite ready for Junior hockey, have to be finished off in the Juvenile league. Then again hockey fans claim that juvenile hockey often presents a greater thrill than even O.H.A. affairs. Juvenile teams of former years have done much to get players ready for this year's Junior O.H.A. team. Such players as Sanderson, Stockford, Bonfield, Goldham, Presswood, Wylie and Kemshead all got their experience in the juvenile league. With an earlier start this season juvenile hockey should be even a greater success.

Give the juvenile teams at least part of your hockey support this winter.

FRED SHORTILL ELECTED CAPTAIN OF BALLINAFAD HOCKEY TEAM

The Ballinafad hockey team swings into action again tonight (Wednesday) with Eden Mills as the opposition. It will be their only game this week, and one of the best of the series, since Eden Mills has an excellent record to date. The record of the Ballinafad team, so far, includes one victory, one tie game and one defeat, and the season is just well started, with all the teams of the rural league bracing themselves for the midseason struggle.

After the game in Acton, Thursday night, Fred Shortill, Jr., was elected captain of the team by a unanimous vote, and the election will add a measure of strength to the team, and at the same time confer an honor to a well-deserving player.

"When I grow up," soliloquized the little girl, "I must have a husband like mother has or be an old maid like aunt Susan. I certainly am in a hard fix."

SECURE MOTOR LICENSE BEFORE JANUARY 18TH

Time for procuring 1937 motor car licenses has been extended until Monday, January 18th. It was announced at Queen's Park, following a cabinet session. The extension has been allowed in view of the fact that less than 25 per cent. of motorists have obtained 1937 licenses, although these plates have been on sale since November 1st.

It was emphasized in the announcement that all drivers licenses also must be renewed not later than January 18th. In view of the fact that many small tradesmen depend for their livelihood on the operation of a commercial truck, the time allowed to them to obtain commercial licenses has been extended to February 15th, while P.C.V. licenses must be procured not later than March 31st.

BIG INCREASE SHOWN IN C.N.R. EARNINGS

The gross revenues of the all-inclusive Canadian National Railways System for the 10-day period ending December 31, 1936, were $5,110,624, as compared with $4,622,384, for the corresponding period of 1935, an increase of $488,240.

AUSTRALIAN WOOL PRICES ADVANCE

Australian wool sales are on the upgrade with France a noteworthy buyer. Germany is also competing freely and there is a noticeable bidding on the part of Italy, England, Belgium and North America are also buying freely. Prices show a general advance, according to the Industrial Department of the Canadian National Railways. Japanese competition was absent due to an embargo on buying in the Australian market.

With the Slalom Club

Some of our readers may not be familiar with the activities of the Georgetown Slalom Club, and we feel that some explanation would be appreciated.

Skiing in Georgetown, while not exactly new to this district, has been "put on a more 'go as you please' basis." This year a number of the local enthusiasts got their heads together and the outcome was the organization of the Georgetown Slalom Club. The word "slalom" to many people is a new word—in fact the dictionary failed to reveal its meaning. However, on enquiry, we find the real meaning of the word is, literally—difficult ski racing. Slalom racing is steep downhill racing, which includes many difficult, breath-taking turns. It is the most difficult ski race because keen judgment, eyesight and plenty of nerve is needed. Although club members are not experienced in this "dare devil" racing, they hope to be, and the club chose Slalom for its name because the country is especially suited for Slalom racing.

Paul Barber, president of the club, who has done much to promote this sport in Georgetown, along with other club members, conceived the idea that an excelent ski jump could be built on the grounds back of the Cedar Crest Golf Club. This has been built—with an in-run of some 30 feet, a lip 4 feet high, and an out-run of about 100 feet. This gives an approximate jump of 40 feet, which is a good start for beginners.

The Club has been hampered in their activities, owing to the lack of snow, but this will lend time for greater organization and social gatherings. At a meeting last week a change was made in the executive of the Club, owing to some members leaving town. Miss Florence Brandford was elected vice-president and Ladie Clark, secretary. It was decided to hold bi-weekly meetings, the next meeting to be held at the home of Paul Barber, January 22nd at 7.15 p.m. All interested are urged to attend and they will be welcomed into the club. So if you own a pair of "barrel staves," get ready for the first snow—for "hope springs eternal in the skiers breast" for the white blanket. We hope the club will have snow before this column is printed. Jack Poulin has over fifty names on his list and is very busy these days as recruiting officer.

Mr. Job Board of Stewarttown has very kindly consented to let the club ski on his property, and the club is very grateful to him for his gesture.

Many new ski clubs have been formed in Ontario this year, showing that the sport is ever becoming popular.

LORD, MAKE A REGULAR MAN OUT OF ME

This I would like to be—braver and bolder,
Just a bit wiser because I am older;
Just a bit kinder to those I may meet,
Just a bit manlier taking defeat;
This for the New Year my wish and my plea,
Lord, make a regular man out of me.

This I would like to be—just a bit finer,
More of a smiler and less of a whiner,
Just a bit quicker to stretch out my hand
Helping another who's struggling to stand,
This is my prayer for the New Year to be,
Lord, make a regular man out of me.

This I would like to be—just a bit fairer,
Just a bit better, and just a bit squarer,
Not quite so ready to censure and blame,
Quicker to help every man in the game,
Not quite so eager men's failings to see,
Lord, make a regular man out of me.

This I would like to be—just a bit truer,
Less of the wisher and more of the doer,
Broader and bigger, more willing to give
Living and helping my neighbor to live;
This for the New Year my prayer and my plea,
Lord, make a regular man out of me.

—Edgar Guest.

Mr. H. T. Arnold, Prominent Manufacturer Dies of Injuries

Mr. H. T. Arnold, President of the Storey Glove Company, Acton, and one of the oldest and best known glove manufacturers in the Dominion, succumbed on Saturday, Jan. 2, to the injuries and shock he sustained on the Tuesday previous. While waiting for the bus to visit the Acton factory, he was knocked down on the side-walk by a boy cyclist. Hospital examination revealed several fractures of the hip, and the shock to Mr. Arnold at his advanced age proved serious. He passed away on Saturday afternoon at the Western Hospital in Toronto. He was in his seventy-ninth year.

H. T. Arnold was perhaps one of the best-known and oldest glove manufacturers in the Dominion of Canada. As a young man he came from Somersetshire, in England. Here he had learned the trade of glove cutting. After working at the trade for a short time in Glen Williams, he opened his first glove factory in Acton. In the building on Main Street where the Kennedy Block stood until the fire last winter. As his business grew, he acquired the building on Mill Street, now a double house, at the south-west corner of Mill and Wilbur Streets. Rigid adherence to business and his expert knowledge of gloves and glove leather earned increasing business, and the Arnold Glove Co. acquired a new factory in Georgetown in 1903, and Mr. Arnold and the family removed to that town. His sons joined him in the business and it flourished.

But Acton was always known as a glove and leather town and when the Storey Glove Co. business was on the market, it was acquired by H. T. Arnold and he returned to Acton with his sons twenty-two years ago and characteristic success has rewarded their conduct of the glove factory here. For a time he operated a glove leather tannery at Dolly Varden, as well as the glove factory. Mr. Arnold, however, did not come to Acton to reside, but took up residence in Toronto, ten or twelve years ago, and at the time of his death his home was at 25 Westbahn Avenue in the city. In spite of his advanced years he visited the factory here regularly and was active until his death in its management.

He was twice married, his first wife being Mary Graham, who passed away about the time of the removal to Georgetown, and his later marriage was to Melvina Bennett, who survives him. Five sons and three daughters remain to revere his memory. They are: William, Roy R. and Beatty G., of Acton; George and E. L. of Georgetown; Mrs. G. C. Brown, of Norval; Mrs. G. G. McNichol, of Hull, Que., and Mrs. P. F. Blackburn, of Georgetown. One brother, William of Gloversville, N.Y., and a sister, Mrs. Emily Gusten, of Johnstown, N. Y., also remain. Sympathy of a wide circle of friends here and in many other places goes out to the bereaved.

The funeral was held on Tuesday afternoon last, with a private service at the home of his daughter, Mrs. Blackburn, in Georgetown. It was conducted by Rev. W. G. O. Thompson, rector of the Anglican Church, Georgetown, assisted by Rev. Mr. Wilson, of Norval. The pallbearers were Messrs. Gordon Arnold, Toronto; Geo. Brown, Norval; George Arnold, P. F. Blackburn, Edward Arnold and E. L. Arnold, of Georgetown. Interment was in Greenwood Cemetery, Georgetown.

Among the relatives and friends from a distance attending the funeral were: Mr. Wm. Arnold, Gloversville, N.Y.; Mrs. W. G. Hutchinson, Toronto; Mr. Clarence Bennett, Winnipeg, Man.; Mr. and Mrs. B. Grinwear, Guelph; Mr. and Mrs. G. Arnold, Miss Clara Arnold, Mr. A. T. Howe, Mrs. H. Wurden, Toronto; Mr. Jos. Laing, Kitchener; Mr. McNichol, Niagara Falls; Mr. and Mrs. Wm. Graham, Erin; Mr. R. D. Graham, Erin; Mr. Jas. McKinney, Norval; Mr. F. K. Mathews, Mr. John T. Moore, Toronto.

When a man can sit calmly without either blushing, grinning, or clearing his throat while the toastmaster is introducing him, he may be said to have poise.

Rural Guide—Why didn't you shoot at that flock of birds as they flew by?

Urban Hunter—You see, this is a brand new gun and I was afraid I would strain it by shooting at such a distant target before it is broken in.

Englishman—What do you mean by 'giving a man the air?'

American—Tying a can to him, putting the skids under him, giving him the gate, or checking him out. Do you understand?

Convict—I am here for having two wives.

Visitor—How do you enjoy your liberty?

Jones—That man Smith is going around telling lies about you.

Janes—I don't mind that, but if he begins to tell the truth I'll break his infernal neck.
