is delicious

True, the radio gives you certain cold figures

but it's indirect and impersonal and at best only

a general indication, compared to actual tele-

phone talks to a number of buyers. In conver-

tations, you get the actual feel of the market;

you know what's going on; where and when to

sell; what grades are going best; what the pic-

ture promises; and all those other intimate

details, the knowledge of which puts dollars in

your pocket. The telephone, as a business agent
