Subscription Accounts

Herald subscription accounts are now being mailed to all those in arrears. As the need of money in our business is very urgent, we would ask you to kindly remit the amount due us.—Editor Herald.

Will Present Comedy

A three-act comedy, "The Spanish Onion" will be presented by the Norval Juniors Dramatic Club in the Gregory Theatre, Georgetown, under the auspices of The Georgetown Pipe Band on Thursday, Jan. 28th, at 8.30 p.m. Admission: Adults 30c tax included, children 15c. Plan at Robb's Drug Store.

All Escaped Prisoners Returned

All of the prisoners who escaped when a riot took place at the Guelph Reformatory last Sunday have been recaptured or returned of their own accord. Quiet has again been restored in the institution, but many thousands of dollars of damage was done in the riot. In future it is likely the guards at the Reformatory will be armed.

Ladies Hold Social

The Ladies' Auxiliary to Canadian Legion held a very successful social in the Legion Hall Friday last. A large number attended. A cheque for the Legion was presented to Col. G. O. Brown, president of the local branch, by Mrs. Kemshead, president of the Auxiliary, who was hostess for the evening. First part of evening was a programme of singing by Miss J. Blain; tap dancing by Miss Osmer and selections by the new Legion jazz band. Refreshments were served and then an old time dance. During the evening a quilt was drawn for. Mrs. J. Young was the lucky winner.

NORVAL JUNIOR INSTITUTE

The January meeting of the Norval Junior Institute and Junior Farmers' Clubs was held on Tuesday evening, Jan. 12th, at the home of John Bird, president of the boys' club. An exhibit of quilt blocks featured the girls' meeting and a paper was given by Florence Giffen on the theme "Home."

Mr. J. E. Whitelock, agricultural representative for Halton, gave the boys a talk on "Farming Arithmetic" and showed a set of lantern slides on "Home Planning and Reforestration."

Mr. George Elliott, prominent lawyer of Milton, addressed the joint meeting and gave a very enlightening talk on laws associated with agriculture.

"LIBELLED LADY" AT GREGORY THEATRE

With so prepossessing an array of talent at its disposal as that offered by the brilliant stellar foursome of Jean Harlow, William Powell, Myrna Loy and Spencer Tracy, directed by Jack Conway who filmed the triumphant "Tale of Two Cities," it is a foregone conclusion that "Libeled Lady," the new screen attraction at the Gregory Theatre, Georgetown, on Tuesday and Wednesday, Jan. 26 and 27, will be a picture above ordinary standards.

It is all of that and more. Played to the hilt by its celebrated personnel in roles which couldn't have been more becoming if they had been made-to-order, directed with dash, spirit and intelligence, and unfolding a plot which keeps its audience constantly interested and amused, "Libeled Lady" comes from the rich coffers of Metro-Goldwyn-Mayer as a fitting successor to such of its recent hits as "San Francisco" and "The Gorgeous Hussy."

SONS OF ST. GEORGE ELECT OFFICERS

At the annual meeting held last week the Sons of St. George, of St. George's Church of England, elected the following officers: Hon. president, and chaplain, Rev. W. G. O. Thompson; president, Thos. Herbert; vice-president, Alex. Taylor; secretary-treasurer, E. E. Young; librarian, H. Dewhurst; auditors, F. D. McNally, Jesse Brandford; entertainment committee, Thos. Herbert, A. Taylor, C. Blacey; house committee, F. McNally, J. Brandford, C. Bargent, B. Dewhurst. Receipts for the past year amounted to more than $300, of which $120 was donated to the church.

SEED GRAIN SHORTAGE IN HALTON

"Seed grain will be a scarce article in Halton next Spring," states Agricultural Representative J. E. Whitelock. He further added, "there is a possibility that it may be necessary to bring in a few carloads from either eastern or western Ontario, where crops were excellent in 1936." It is his opinion also that there is a considerable quantity of two year old grain in the county, which if of sufficiently good quality will help tide over the situation. Needless to say, those who are giving thought to this matter would prefer to see local stocks utilized if they are sufficient.

PERSONALS

Mr. D. L. Somerville of Milton was a visitor in town on Sunday.

Rev. and Mrs. Ross Cameron and Rev. Dr. Cunningham were guests of Rev. and Mrs. D. D. Davidson during their stay in town on Sunday.

Mr. and Mrs. S. C. Mackenzie left on Tuesday for Kingston to visit their son Ian, who has been in hospital there for the past week, the result of an injury received when working in that city.

Mr. T. M. Bennett, Clerk of Esquesing Township, who underwent an operation at Toronto General Hospital last Saturday is progressing favorably. His numerous friends wish him a speedy restoration to health.

John A. McGill, general passenger agent of the Canadian Pacific Railway Company in Ottawa, and son of Mr. and Mrs. J. J. McGill, Church St., Georgetown, was selected to become a member of the Ottawa Collegiate Institute Board at a meeting of City Council held in the Board of Control room in that city last week. He succeeds Percy Wilson, K.C., who resigned after being appointed as official guardian of Ontario.

CORRESPONDENCE

Toronto, Jan. 16th, 1937.

J. M. Moore, Esq.,
Georgetown, Ont.

Dear Joe—I wish to thank you for the space you gave to my little talk at the recent Masonic gathering, and also for the report of the proceedings. I would like to correct an error you made in regard to the annual income from our resources. You gave this figure as $30,840,000,000. This should read $3,317,324,000. The other figure is the value of our assets irrespective of our undeveloped and undiscovered resources. Our income is made up as follows:

From Farms	$ 767,302,000
From Forests	123,415,000
From Mines	378,327,000
From Fisheries	17,380,000
From Furs	10,305,000
From Manufacturing, Etc.	2,136,195,000
	$3,317,924,000

I hope to have the pleasure of again meeting some of my old friends. How about your centennial? Are they going to do anything about it, and also about our semi-centennial celebration of the High School? I think I can qualify for the latter but hardly for the former.

Best regards.

Yours very truly,
Geo. S. Guthrie.

THANKS FOR DONATIONS TO GRENFELL MISSION

The following letter was handed to us for publication this week:

Mutton Bay, Oct. 27th, 1936.

My dear Mrs. McKenzie:

The bale of most generous useful articles just arrived, and even though the drought made impossible the shipping of your usual donation of fruit, it has not curtailed the generosity of your co-workers, quilts, socks, etc.

I was hoping and praying for quilts, the poorest homes are pathetically bare of bedding. I don't blame them for simply removing their boots and going to bed, as is; and all crowding into the one bed. Thanks so much for all your help. It is simply splendid.

When I returned here this year, I thought of the nice home-canned pickles and fruit we used to get from Georgetown. However, I discovered a nice jar of apple jelly from some kind neighbor, and I am hoarding it for an auspicious occasion.

Our weather has gone terrifically cold. Hope it moderates for a week or so. It makes our six months of winter too long.

Many, many thanks and best wishes to you all.

Very sincerely yours,
M. A. Murray.

THIS AND THAT IN SPORT.

Having covered the various games pretty thoroughly elsewhere in these columns, it leaves this column rather short of news.

* * *

After the Monday night game in Acton, Georgetown has a casualty list and will be left short-handed for Friday night's game. Bill Anthony received a fractured jaw, and the injury Joe Hall sustained in the Guelph game was not improved any by playing in Acton. We wish these players a speedy recovery, so that they may be ready for the play-off games.

* * *

The Juvenile League got under way last night at the Aerna. While the crowd was not what it might have been, the hockey dished up by teams playing in the doubleheader, was good and much new hockey material is shaping up for future O.H.A. teams. In the first game Streetsville defeated the Glen 4 to 1 in a speedy affair in which the Streetsville goalkeeper received a badly lacerated mouth, and it was necessary for him to retire and get medical attention. The teams seemed fairly well matched, although Streetsville had the greater scoring punch. The scorers were: Streetsville—Longworth 2, Hope 2; Glen—Graham. The teams lined up:

Glen Williams—Goal, Williams; defence, D. Beaumont, Kirby; centre, Schenk; wings, Ganton, C. Beaumont; subs, Raynor, Graham, D. Ganton.

Streetsville—Goal, Lumbers; defence, Reid, Hope; centre, Longworth, wings, Reddick, Rice; subs, Wilson, Schnurr, Rutledge, Evans.

In the second game the Georgetown team outplayed the College View team 13 to 2. This Georgetown team has a squad of fast and rugged players, and look the best team in the league. However, the season is young and many things can happen. The goal-getters for Georgetown were: Sylvester 6, Graham 3, Latimer 3, Cleave, Cole and Hoare; College View—Nick Brown and Spence.

Georgetown—Goal, Broomhead; defence, Hoare, Graham; centre, Cleave wings, Sylvester, Latimer; subs, Cole, Jordain.

College View—Goal, Golden; defence, Brown, Brunton; centre, Johnto; wings, Spence, Burt; subs, Hale, Brown, Hilts.

If you miss these juvenile games you are missing a lot of fun. Watch for posters for the next games.

On Saturday night a hockey team from Smith & Stone, Ltd., will meet Hamilton Potteries at the Arena here, the game commencing at 6.30. Hamilton Potteries team is made up a number of former Georgetown boys, and this should be a very interesting game.

Georgetown's O.H.A. Juniors were defeated in Acton last night 5 - 2.

Your Scribe wishes to express his appreciation to the many sport fans who have wished for us nothing but success in our endeavor to bring Herald readers a weekly account of sport events; and in particular Miss —— of Toronto, who writes: "Congratulations Georgetown has a band and a hockey team, and we're proud."

Fists Flew Monday Night When Acton Defeated Georgetown

Fans Swarm on Ice as Pandemonium Reigns—Penalties and Small-Town Refereeing Defeated Georgetown Monday Night—Anthony Received Fractured Jaw-bone—Acton Here Friday Night.

"TILLEY" MOORE STAYS WITH GEORGETOWN

By G. McGillivray

What promised in the outset of the game to be the season's most outstanding game, turned out to be the worst display of sportsmanship, bell-ringing and what-not, that Georgetown fans (or any other fans) have witnessed since Johnny Jones refereed an Acton - Georgetown affair before. In fact when the final gong sounded the players threw down their sticks and engaged in a free-for-all, thus threatening to lawyer the fans who took to the ice in defence of their favorite player.

It was up in Acton, as most anyone might guess, with the Arena affair packed to capacity, and Georgetown carrying the play all through the first frame. But something had to be done . . . Georgetown looked like sure winners, so Acton relied on the old "butt end," and when Georgetown retaliated the referee never failed to hand out the required two minutes, and sometimes more. Johnny Jones never was a favorite with the local aggregation and this small-town refereeing has gone over for the last time with Georgetown fans. They want an official who is capable of handling these two old rival teams, who is up on every play and sees both sides of the story. Their slogan from now on is "better referees;" for when so many fans get them wrong, there must be surely something that isn't altogether "hunky-dory." After all its the fans who pay the shot and they have the last word, or they should have, anyway. And then again Acton arena depends on half filling the palace (?) with Georgetown fans at these games.

The O.H.A. are a lot to blame for this inferior refereeing. They know that local referees never did "pan out," and it is at their door trouble should be laid, and has been said, we understand. Penalties where penalties are due . . . and to whom they are due . . . are quite the proper thing; but they must be handed out to whom they are due, or trouble begins right there. A two-minute stretch on the penalty bench is about the worst place in the world from which to win games for anybody else but the other team.

But on with the game. Georgetown took the puck from the face-off and Ward tried out Greer in the Acton net, who played a great game all evening, and was Acton's only defensive barricade that Georgetown could not penetrate. From then on for nearly the entire period Georgetown kept up a steady bombardment of the Acton citadel. Time and time again they went through on plays that looked like sure goals, only to have Greer pull off a phenomenal save. It was not till after fifteen minutes of play that Acton really had a good shot on Malone in the Georgetown net, but they made it count. E. Marso on a clever piece of stickhandling backhanded in the rubber, giving Malone no chance to save. The period ended without further excitement. Penalties were given Walt. Richardson and Lindsay for mixing it up in the corner, and Beard for tripping Crichton when he was in a scoring position. The score Acton 1, Georgetown 0.

The second period opened with Georgetown still putting on the pressure (as they did all evening). Moore and Crichton combined on a brilliant passing play to tie up the score. It was from this point on that penalties came in quick order. Acton, known of old for not being able to "take it," began to rough up the game, and Georgetown were always left holding the bag. First Crichton went to the box, then Moore, with Beard putting Acton one goal up while Georgetown were left short-handed. Anthony was the next victim—he received a butt end, which resulted in a fractured jaw, at the hands of the "mighty Minute," and was caught retaliating. In going into the penalty box he pushed Walters ahead of him rather strenuously, which Referee Jones decided was very ungentlemanly and tacked on a five-minute penalty. Anthony had to be the goat for something he never started. That "burned up" the entire Georgetown team, they gave up for the moment and became disorganized. Acton went in and netted two more counters, with Lindsay doing the scoring. The score at the end of the second period was Acton 4, Georgetown 1.

In the night cap period Georgetown again took the edge on the play, although the brand of hockey was not on a par with that of the first. The locals scored but the goal was not allowed. Pur why, we could not figure out; but there were a lot of things that didn't "add up," so what's the difference. The game ended and the score was as at the end of the second period, Acton 4, Georgetown 1. It was when the players were leaving the ice that the brawl started with Duncan and Lindsay doing the fisticuffs. Spectators swarmed on the ice, but law and order was soon restored.

We are not picking stars in this game, as every player on the local outfit turned in his best effort this year. Peat and Galbraith were unable to get there, due to a breakdown with their car, but Duncan and Bill Ritchie did the filling in. Terry, Marso, and Greer were Acton's bright lights.

Acton will play a return game here on Friday night, and this has all the earmarks of being the best of the scheduled games. The Georgetown team is going at high-speed and a fall out of Acton is due anytime now. Come out and cheer the boys to victory. They may even be group winners yet, who knows?

It has been rumored around, that "Tilley" Moore, Georgetown brilliant defenceman was not eligible to play here, but for those who believe Acton gossip, come out to Friday's game and lamp some of the most amazing plays that send Acton players dizzy in attempting to stop this "Tilley" Moore.

Georgetown—Goal, Malone; defence Anthony and Moore; centre, Teat; wings, W. Richardson and Ward; subs, K. Richardson, Crichton, Hall, Duncan, Ritchie.

Acton—Goal, Greer; defence, Walters and Kentner; centre, Terry; wings, Lindsay and E. Marso; subs, I. Marso, Mortup, Mooney, Gibbons.

Referee—Johnny Jones, Guelph.

"CHUCK" CONACHER

the husky right-winger of the Toronto Maple Leaf hockey team, who refereed a Midget N.H.L. game at the Arena here last Saturday afternoon. Charlie was presented with a beautiful bouquet of flowers in the shape of a horseshoe, with the inscription "wishing you scoring honors in 1938." He is at present on the injured list, nursing a fractured wrist.

Charlie Conacher Referees Midget Games

NEW YORK AMERICAN AND MONTREAL MAROONS ARE VICTORS

In a sparkling exhibition of hockey the Georgetown Midgets under the guidance of Charlie Conacher, the 'Big Bomber' of the Toronto Maple Leafs, pleased a very big crowd Saturday afternoon, and showed the fans what is in store for them in future games. Conacher suffering with a very painful hand made the trip to encourage the boys in the 'big time' hockey. He expressed amazement at the prowess of the players and prophesied that some day Georgetown would be represented in the N.H.L. proper.

In the first game those amazing Amerks from 'down under' defeated the Boston Bruins 4 - 0 in a smooth-passing game, replete with thrills and spills. Chapman and Carr of the Americans were brilliant and scored the teams quota of goals.

In the second game Montreal Maroons outplayed the Chicago Black Hawks, 3 - 0, and gave warning of trouble for the other teams. Northcott was the leading scorer. Both Chabot of the Americans and Connell of the Maroons scored shutouts.

On Thursday 'Buzz' Boll, the fastest skater of the N.H.L. will handle the duties of referee and help the boys in their hockey. Before the games Boll will be banqueted at Hunter's Inn. Come out and meet the Leafs.

Games for Thursday: Canadiens vs. Bruins; Maple Leafs vs. Americans.

Standing of teams to date:

	P	W	L	Pts.
Americans	1	1	0	2
Canadiens	1	1	0	2
Maple Leafs	1	1	0	2
Maroons	2	1	1	2
Bruins	1	0	1	0
Black Hawks	2	0	2	0

BALLINAFAD 3 — EDEN MILLS 0

The Ballinafad hockey team strengthened its position in the Rural League last Wednesday night in the Acton Arena, by defeating Eden Mills, before a good sized crowd of supporters for both teams.

Both teams played good hockey, with the play alternating for the first two periods, but in the end the sturdy defence of the mountain team, especially the rearguardsmen, wore down the Eden attack, and gave Lorne Wicks in goal his first shut-out of the season, and his team their second victory.

There were some technical penalties, but none costly, and the game throughout was a gentleman's contest, and played in a spirit of good sportsmanship.

The team from the mountain played without the services of Bill McPherson and Allan Marshall, the former isolated in Limehouse on the night of the game by the torrential rain, and the latter by illness.

With the team at full strength for the coming struggle for first place, in a ten team league, a feeling of confidence pervades all members that the team will go places, despite the many limitations in equipment and practicing facilities.
