The Mayor wished to thank without any as the pain was so great. the Board for this co-operation and Now I can wear the same pair of assured them that the Council was shoed all day with comfort. I canalways, willing to work in harmony not treak too highly of Kruschen Stalts. Only those who had, been in meeting constant pain with their feet for years can realize what it is to be free."-

(Mrs.) E. A. It is deposits of excess urle acid lodging between the joints, which are frequently the cause of rheumatism. Kruschen Salts contain two ingredionty-sodium and potassium-which are exective solvents of uric acid.

"The Ottawa Spotlight"

By Wilfrid Exglesion. Ottawn, Pebruary 23 - Underlying the Quebec opposition to the modest increases in the defence estimates is the fear that it is the first step toward war: Toward participation in foreign conflict. Toward conscription. Quebec has not forgotten 1917; there is a profound disquiet ter the turn events are taking. The more imperturable Prench-Canadians realize that all Canada is doing, to far, is to put our tiny defence machine into workem fighting planes which could dath tances against an invader. But one has to remember that the Prench-Canadian members, like the English, for themselvet. The fact that so many Prench Canadians, loyal Liber-

als on every other issue, should feel impelled to rise in the House and differ with the government, suggests ada, behind the scenes, is much keen-

er than most of us realise. All Shades of Opinion The government has managed, so far, to give out a ring of complete smeerity, in its declaration that the MUSICAL CONTEST additional \$13,000,000 being voted purely for the defense of 'Canada against possible invaders; that not
