"Mary by Scotland," REO Radio's Maxwell the famous Maxwell 'Anderson play, takes advantage' of one of history's most vivid lives in presenting Katharine Hepburn as the reckless ruler who risked life and throne for brief romance with Karl of Bothwell.

Predric March portrays the bold and arrogant Bothwell, wooer of the reckless Scottish beauty. Hers was a career as turbulent and colorful at any creation of fiction. She lived and loved as she chose in suit of her ruthless berons' determination to dictate not only her state policies and religion but her romantic life as well. John Ford, winner of the 1935 Acethrmy directorial Award for his work on "The Informer," directed. Pendro Berman produced ,
