THE HECLA FIREPOT

WILL NOT BURN OUT

summer with no coal bills to meet does not put excess strain on the family budget.

The wife bears the brunt of a worn-out furnace that gives insufficient heat, needs continual stoking, poes out frequently, is smoky, gassy and dusty. For mothers and youngsters are in the home more than men. A cold drafty house, with dry air, leads to colds and illness.

If you have been having trouble with your furnace, don't put up with it any longer! It costs more to coddle an old furnace than to install a new Hecla, now! Hecla, Canada's most efficient furnace-gives warm air heating at its best and most economical. By test, Hecla saves 15% in fuel-soon pays for itself.

Yorland until Proven in thousands of homes since 1254

Your heating troubles are over when you install a Hecla. The famous steel-ribbed firepot is guaranteed 20 · years against burning out-no other firepot is guaranteed at all. FUSED JOINTS-metal welded to metal-last as long as the furnace, prevent escaping gas or dust. AUTOMATIC HUMIDIFICATION supplies correctlyhumidified warm air all winter long-without attention. These and many other features make Hecla the furnace you must see Investigate it-now.

year, it is the first think you should nak after. Most, before ligaridg house-channes, is the ideal time—have the tunner from worry and he propared for the first cold apolt next Vall.

hing. He could put the unimal out of its pain, but-liams mis! Howcould be explain what he was delay with a gun? "Tony-Tony! I can't stand it! De

And suddenly, as the horse screemed

again, Tony couldn't stand it, either, His eyes missed the figure of the can pushing through the crowd, his revolver out of its bolster, because Tony was looking along the stubby barrel of that for a second be was startled. But Johnny Bull-We have some very as he stid his gun quickly late his pocket he looked up and saw the cap's gun amoking in his hand, and be understood. The horse was quiet, now. Get out of here and get out quick. If the cop'il get wise. And the cop was bending over, making sure of death. Tony threw out his clutch and

hole in his bick. He stepped on the brake as the cop came ever. It was all over, and Santa Maria that cop was lucky! Capturing Tony Scolatt, carrying a gun, and for the fourth time. It wouldn't make any difference that it was an accident; that be. Tony, trapped himself through an act of mercy. Or that he couldn't do this last Job for Louis. Not with Maria wise to the gun. The red face of the officer was close to the windshield "Listen, bum," the cop said. "What's the Idea ?"

Tony shook his bead. In his mirror he could see the white face of Maria back in the corner of the cab. Well. the was free to marry a respectable kind now.

"You guys," the cop was saying. "Always pullin' up an' blockin' traffe! Are you goons scram outts here- or d'you want a ticket?"

Saki the sparrow to the robin: "I should really like to know, Why tilese anxious human beings Rush about, and worry so?"

Said the robin to the sparrow: Priend, I think that it must be, That they have no Heavenly Pather, Such as cares for you and me."

If appearances are deceitful, then they do not deserve any confidence when they assert what appears to them to be true. Diogeries Latrilus.
