May Build Wading Pool

We understand that the Local Council of Women are seriously considering the building of a wading pool for the kiddies on the old radial property west of Main St. It is an ideal location and the cost of a wading pool would not be too big an undertaking financially. The approval of the Provincial Health Authorities has been obtained, and the donation of a small sum of money by some generous hearted citizens would enable the ladies to proceed at once with the building of the pool.

New Postmaster at Oakville

E. J. Jansas, of Trafalgar township has been appointed postmaster at Oakville, to succeed the late L. V. Cole. CELEBRATED 104th ANNIVERSARY

Founded more than a century ago Union Presbyterian Church celebrated its 104th anniversary with special services on Sunday last. A ladies' choir from Trinity College, Toronto, assisted the choir at the morning service, while in the evening, the choir from the Brampton Presbyterian Church took part. The present pastor, Rev. A. N. McMillan, conducted the service in the morning, and in the evening, Rev. G. L. Pender, Streetsville, preached.

The congregation of the church first met in the house and barn of James Fraser, Esquesing Township. In 1835 John Stirratt gave the congregation a log building, erected on ground donated by James Fraser, and for a while services were held there. A second building was erected during the ministry of Rev. Patrick Gray, who was called in 1844.

In 1879 the first organ was installed, and five years later the present structure was erected at Limestone.

Georgetown Baseball Team Win Easily From Brampton

BIG TEXT COMES ON SATURDAY WHEN MILTON HERE

Georgetown's "Chrysler" invaded the "Flower Town" last Saturday afternoon and returned home with a 9 to 2 victory over the much-improved Brampton team. The locals lead the parade of runs up until the 7th innings by keeping Brampton entirely off the score sheet. In the 7th and 8th innings, however, the homestanders managed to make a single tally. Georgetown scored two in the second, two in the fourth and two in the seventh innings. Brampton send a scare into the local fans when they filled the bases in the 8th, but the Chryslers tightened up and the game ended 9 to 2 for Georgetown.

Alcott pitched a heads-up game and went the entire route with Bill Ritchie, Georgetown's star rookie, doing a nice job behind the plate. The battery for the Brampton team was Cobey on the mound and Richardson on the receiving end.

This was put Georgetown and Milton in first position in the league standing, and the final test will come on Saturday when these two teams meet of the park here. Both teams have won their three games played this season and the "grid test" ought to be a baseball pale-head-up on the slide of the diamond next Saturday afternoon.

THIS AND THAT IN SPORT.

By G. "Mac" McGibbon

Saturday, as the schedule says,
Milton comes to town;
But, Saturday, as we see,
To second place they go down!

Georgetown baseball fans are well aware of the snappy ball team they have to support this year, and the team itself is winning many new fans by their excellent efforts. Every man on the club is out there giving his best at all times, and as a result the team has won all of their three starts this season. Tomorrow night the first of the twilight games begin with Millsburg as the visiting team. This should be another easy victory for the Chryslers, as Millsburg have been taking some severe beatings at the hands of Milton and Brampton. Arrangements are under way to try and have the band out to this game, but at the time of going to press, nothing definite can be stated. With Georgetown and Milton tied for first place in the Halton County League, Saturday's game should see the locals make it hot for the boys from the county town. Milton have held the league championship for a number of years, but Georgetown is out for the honor, in this, our Centennial year.

• • •

The Georgetown team has much the same personnel as last season, with the exception of about three players. This year they have added two pitchers to their ranks—Gordon "Lefty" Alcott came out of retirement to get his old arm in shape again, and has been a tower of strength to the team, and Harry Malone of "hockey fame," has been working out and is expected to take the mound in tomorrow night's game with Millsburg. The biggest find of the year, however, is a rookie "Bill" Ritchie, who took up the duties of catcher when the team was shorthanded, and has turned out to be the team's best hitter, along with his catching ability. The rest of the team line up much as before, with "Lefty" McAdams still holding his regular job of pitching; "Toots" Beaumont at first; Harry Woods, who has played ball for Georgetown for a good many seasons, at second; Larry Ritchie at third; "Andy" Ritchie, the short-stopper, and in the outfield, Ed. Hoare, C. Basham, R. Ward, W. Bryden and G. Chaplin. We are glad to see Ed. Hoare back in uniform this year, as we consider him a great mainstay to the team, out there in centre field.

• • •

All in all the fans should enjoy a good season of ball and here's good luck to the team. May they go far.

• • •

Softball has also made it's debut in Georgetown, and last Friday evening saw the organization of a softball league. Bob McKenney, jr. was elected president of the new league, with Clarence Kennedy as secretary. The league will be composed of six teams, Georgetown entering three and Norval, Glen Williams and Stewarttown, one each.

• • •

Congratulations, felicitations, and all that stuff is due Georgetown's outstanding junior athlete, Bob Cockburn. Last Saturday Bob went to St. Catharines to enter in the C.O.S.S.A. track and field meet, and placed first in the shot put, with a throw of 39 ft. 3½ inches, to win a three weeks' vacation on the glorious banks of Lake Couchiching, at Wauhaushene boys' camp. He also entered in the running broad jump and took third place in a keen contest. There were 30 high schools competing. Bob was this year's versitile hockey star, playing midget, junior and intermediate hockey all in the same year, being only 14 years of age, but weighing 160 lbs. Georgetown is proud of Bob Goldham and his athletic ability, and wish him luck and hope that he may bring home more honors in the provincial track and field meet at Varsity stadium, which he has qualified to enter in July.

• • •

The presentation of the Angus Duncan Memorial Trophy to the Canadiens Midget Hockey Team took place at the Legion rooms last Thursday evening. The cup was presented by Howard Teasdale, Norval, who is the donor. This cup will be up for yearly competition in the Midget Hockey League, and will commemorate the life of Mr. Duncan, who done so much for good clean sport in Georgetown. We thank Mr. Teasdale for his very thoughtful and kindly action.

Every so often we stew around and pull our hair, and wonder why they appoint secretaries for ball clubs, bowling clubs, golf clubs, and other organizations, when they fail to perform their duties to the full. Even sport writers cannot be at all things at different times of activity at the same time to garner in the news for publication. We want the news, the public want the news—but we need cooperation—so snap out of it secretaries and hand in your news items, and we'll do the rest. Our telephone number is 6, or you will be welcomed at the office. Do your part for your town in the name of sport.

Toronto Starts Early on Floodlight Baseball

Owing to the number of requests from the fans and the fact that other cities in the International League have already started night baseball this season, Toronto Club officials decided to hold the first floodlight games at Maple Leaf Stadium on June 3rd and date when the Montreal Royals invade the Queen City for the first time in the present campaign.

The Leafs have had a great deal of success in the daylight and they expect to be just as proficient under the lights. Night baseball appeals to the great majority of baseball fans and it is now firmly established as a regular feature of the summer pastimes. It was from the exhibition of many clubs in the minor leagues and such success finds many of the major league clubs in favour of it.

On their first lengthy home stand which terminated on May 30th, the Maple Leafs registered a new record place in the International League standing by entering the final thirty game series from the Rochester Red Wings. Manager Dowdey has made quite a few changes in the team since the opening game at Baltimore on April 22nd, but until May 23rd at Buffalo did he change the original batting order from the opening game. The Leafs have proved definitely that their pennant aspirations struck at the start was not fluke in the cast, and they have solid themselves thoroughly as Toronto fans.

It was expected that the Leafs would need some bolstering in the pitching department and that a more experienced first baseman and a short-stop would have to be secured. But pitchers have been coming through with some outstanding performances and first baseman Jimmy Walsh, the 23-year-old hockey player from San Jose, California, and little Jack Cassinelatti, the San Francisco shortstop, have more than made good at their positions. Walsh has developed into a home run hitter who is feared by every opposing pitcher in the League and he hits fair to be one of the greatest rookies who ever wore a Toronto uniform. Cassinelatti, who had never played shortstop in any professional baseball until two days before the Leafs opened at Baltimore, has improved with every game and he is a great favourite with Toronto fans.

Joe Mulligan, Mike Meola, John Marty, Jimmy Pattison and Blake Davis have been supplying the feature pitching. Mulligan won his first three starts and shares with Pattison the distinction of being the only Toronto pitcher to turn in a victory against the heavy hitting Newark team which is probably one of the strongest that ever played in the International League. Mulligan held the Bears to two hits and beat them 4 to 2. Pattison gained a 3 - 2 decision over them in Newark. Meola has turned in the only two shut-outs the Toronto team scored in its first home stand. He blanked Syracuse and Rochester. Marty beat Buffalo in a sensational 15-inning game. He relieved Davis with the score tied in the eighth inning and held the Bisons to one hit over the balance of the route.

In addition to the night games on June 3rd and 4th, the Leafs will meet Montreal in an afternoon game on June 5th when Toronto fans will pay tribute to "Babbit" Meyerhoffs, Montreal manager, who is still going strong in this, his twenty-seventh year in professional baseball. The Leafs are also home on June 7 - 8 to oppose Buffalo. These will be night games.

MALTON GRAIN CLUB ELECT OFFICERS

At a well attended meeting held in Milton recently, Dr. O. McConkey of the Field Husbandry Dept., Guelph, spoke on hay and pasture crops. Dr. McConkey pointed out that 55% of Ontario's tillable acreage is in the form of hay and pasture crops and moreover that the revenue from these crops during the past 10 years is almost double that of Ontario's gold production. According to Dr. McConkey a survey made by the College showed that 90% of Ontario's hay is low in phosphorus as a result of phosphate deficiency of the soil. "We must build our cropping system to make the most of the summer season if we are going to compete with a country like New Zealand," he said. The election of officers resulted as follows:

Georgetown Urban Oat Club—President, Lloyd Fisher; vice-president, John McNabb; secretary-treasurer, Newton Ruddell; Club Leader, John Bird.

Milton Boys' Grain Club—President, Addison Woodley; vice-president, Ernest Pell; secretary-treasurer, Hugh Beaty; club leader, Cecil Chisholm.

BALLINAFAD

Mrs. J. R. Pickering of North Bay spent the week end with her sister, Mrs. B. Vannatter.

Victor Swindlehurst has accepted a position with his uncle, Mr. W. Allen of Brampton.

Mrs. Alfred Soper left last week for a trip to Boissevain, Manitoba.

Mrs. B. Vannatter and her father, Rev. N. Waddell, left Monday to spend a month with Miss Edith Waddell in Portland, Maine.

A quiet wedding was solemnized on Saturday evening at the Manse, when Alberta Barwick, only daughter of Mr. and Mrs. Clayton Barwick, became the bride of Mr. Wm. Dick of Newcastle, England. Rev. A. G. W. Forman officiating. The couple were unattended. They will reside in Guelph.

The May meeting of the W. M. S. was held at the home of Mrs. R. Shortill. After the opening devotional exercises the roll call was answered with an interesting item from the Missionary Monthly. The scripture study was taken by Mrs. J. Kirkwood and the topic from the study book by Mrs. B. Vannatter. Several interesting numbers on Trinidad were read for the Which Tower, also some short readings on temperance. Mrs. (Rev.) Foreman then favored us with a solo. The June meeting will be held at Mrs. F. W. Shortill's.

FORMER KENORA M. P. DEAD

Dougald Kennedy, a former M.P. for Kenora and Rainy River, was found dead at Beamsville on Monday last. Mr. Kennedy, who was 67 years of age, had not been in good health for some time.

U.F.O. Federal member for Kenora from 1922 to 1925, he later received an appointment to the Federal Life Shack Branch at Winnipeg, serving in that post until two years ago, when, superannuated, he bought his farm at Beamsville.

Hailing at Dryden when elected to Parliament, Mr. Kennedy was a native of Acton. He is survived by his widow and four sisters and one brother.
