PERSONAL

There has never been a newspaper printed that satisfied everybody. But there is a very simple method by which better newspapers can be produced and that is for those who subscribe to them to take an individual interest in seeing that they get more local and personal news. Not that you are expected to become a reporter when you become a subscriber, but because the newspaper stands as the exponent of all that is good for your community and because civic pride should, therefore, lead you to encourage such an institution. If you have visitors, if you have been on a visit or if you are going on one your neighbors are sure to be interested in knowing about it. Tell them through your home town paper—The Herald. Every little item of a local or personal nature helps just that much to make a still better newspaper and getting it to the editor requires very little exertion on your part. That is how you can help make your newspaper more interesting, and you are invited to start doing so at once. Thank you!

EXCELLENT DEMONSTRATIONS GIVEN AT CALF CLUB MEETING

An attendance of approximately seventy-five boys and men attended the third meeting of the Halton Calf Clubs which was held on Friday evening last at Trafalgar on Lindsay Brothers farm on the Fifth line of Trafalgar. Floodlights had been erected for the occasion and under ideal conditions an excellent programme was run off under the directions of the Agricultural Representative, J. E. Whitelock, and Presidents Craig Reid and George Manderson.

An excellent demonstration on Jersey type was handled by Oswald Warman, head herdsman of B. H. Bull & Son, Brampton. Following the judging contest on two splendid Jersey classes, very able demonstrations on showmanship, clipping, trimming feet and throwing an animal were given by club leaders, Addison Woodley and Gerald Graham. At the conclusion of the programme a vote of thanks was extended to the hosts of the evening and the demonstrators by president Craig Reid.

Over 500 Veterans At Re-Union July 1st

Georgetown Legion, Post 120, Entertain Veterans of 4th, 76th and 164th Battalions at Georgetown.

Over 500 veterans of the Great War were present at the reunion of the 4th, 76th and 164th Battalions, when they were guests of Georgetown Legion of the British Empire Service League, Post 120, at Georgetown, on July 1st.

It was a great day for the Veterans. Old comrades in arms met who had not seen each other since the days in the trenches, and many reminiscences of the past were rehearsed. There were sad scenes and glad scenes. We noticed one case in particular, when two old soldiers met who had not seen each other in twenty years; they just shook hands, an incident of the trenches was mentioned and as they stood looking at each other the tears ran down their faces.

The parade formed at the Legion Rooms, and with music supplied by the Georgetown Pipe Band and the Lorne Scots Band of Georgetown, the veterans marched to the cenotaph. Here wreaths were deposited by representatives of the three regiments and the Canadian Legion, which were under the command of Col. James Ballantine, D.S.O., and Col. O. O. Brown, President of Georgetown Post 120 of the Canadian Legion.

Following the service at the cenotaph the parade proceeded to the Park where a splendid program of sports had been arranged.

On arrival at the Park, Mayor Gibbons, on behalf of the Town Council and citizens, extended a hearty welcome to the Veterans and their friends.

The Ontario Championship Bicycle races drew a large number of the best riders in Ontario. One record was broken and the whole afternoon's racing was of a very high order and enjoyed by all. The prizes at the close of the racing were presented to the wingers by Col. Brown. The winners were: Quarter mile, Lampard, Touting Ramblers, Sam Cowley, Mimico; Dalton Swift, Toronto Maple Leafs. Half mile championship, A. Leadbetter; P. Burgnell, Gerard K. L. Coleman, Hamilton Maple Leafs. Mile, A. Leadbetter, L. Coleman, I. Lampard. Two miles, A. Leadbetter, I. Lampard, L. Coleman. Five miles, championship, I. Lampard, A. Leadbetter, J. Halley, Touting Ramblers. Novice class, M. McGregor, Hamilton; Earl Jukes, Touting Ramblers, J. Skinner, Forest Hill Cycle Club. Helter-skelter race, J. Wilson, Gerard K.; Fred Ball, Oshawa; H. Turvey, Warren Cycle Club; girls' race, Georgetown only, Mildred Davidson, Mary Cummins; Georgetown boys' Dick Riddall, Johnny Emmerson. The Legion Challenge Cup was won by Dick Riddall. The winner of the Winged Wheelers' Challenge Cup for Georgetown girls was Miss Mildred Davidson.

The softball game between Brampton and Mimico girls proved quite interesting and was won by Brampton girls.

Wrestling bouts were an added attraction, Ted McKinley, Toronto, defeating Pete Pernokis, Detroit, and Ted Mallard, Toronto, winning from Bert Crothall, Toronto.

The reunion was wound up with an amateur contest, dance and fireworks in the evening when a large crowd was present. The prize winners in the amateur contest were: Junior class—1st, Eileen Pickup, Oakville; 2nd, Jean Brown, Toronto; 3rd, Eleanor Guy, Long Branch; 4th, Nancy Meredith, Toronto; 5th, Joyce and Jean Brown, Toronto; 6th, Ross Petch, Union; 7th, Edith Kemshed, Georgetown. Senior class—1st, Fred Norris, Cheltenham; 2nd, Grace Forster, Georgetown; 3rd, Roy Johnston, Ashgrove; T. Greenlaugh, Hamilton; 5th, T. Warren, Georgetown; 6th, Harry Rigby, Guelph. Miss J. Leavitt was the capable accompanist.

The fireworks were much appreciated by the large crowd present and were handled by J. P. McCartney and Geo. Hall.

The dance in the armories drew a record crowd and excellent music was supplied by Johnny Waldon's Orchestra of Guelph. The winners in the lucky number draw were: 1st, A. Thompson, Acton, No. 888; 2nd, John J. Gibbens, Georgetown, No. 211; 3rd, Mrs. Ernie Kennzel, Hamilton, No. 787; 4th, W. H. Young, Erin, No. 410; 5th, V. Marden, Brampton, No. 715; 6th, J. Goodlet, Georgetown, No. 924.

This was the 2nd Reunion of the 164th Battalion and it was a grand success. About 150 former members came from the counties of Halton and Dufferin, also from Toronto and Hamilton. The unit was commanded by Lt.-Col. G. O. Brown and a wreath was deposited at the cenotaph. Among those from out-of-town were Majors Mahon, Chambres, Kennedy, and Peacock; Captain Linger and R. S.M. Laidmen, Lt.-Col. Domville and others wired their regrets. The next reunion will be held in Orangeville in 1938.

Officers of the 4th and 76th Battalions who attended from out-of-town were: Lt.-Col. N. M. Young, Toronto; Major G. R. Rodgers, Barrie; Major George Ballard, K.C., Hamilton; Major J. M. McKinley, Toronto; Major J. R. Biscoe, Thorold; Major Ken. Lount, M.C., Toronto; Major Chandler, M.C., Toronto; Major Percy McHon, Hamilton; Major Walter Scott, Barrie; Captain Ansley, Niagara on the Lake; Capt. Frank Quinn, M.C., Hamilton; Lieut. Plant, M.C., Hamilton; Lieut. Callaghan, Toronto; Lieut. P. Kilgour, Welland; Lieut. Ingalls, M.C., Niagara Falls; Lieut. Thomas, Ridley College; Capt. Perkins, Hamilton; Lieut. T. McMillan, Barrie; Lieut. Robt. Horne, Forest. Captain Appleton wired his regrets from London, England; Capt. W. Rogers from Montreal, and Capt. McDonald from Toronto. All the above list of officers with one exception were wounded. Six were promoted from the ranks. The detachment numbered over three hundred and all greatly appreciated the hospitality accorded them and the courtesy of the Mayor and municipal officers.

The local Branch of the Legion, under whose auspices and direction the field day and reunion was held made every effort to give the public a program of sports that would satisfy everyone, and are grateful for the large attendance at the park during the afternoon and evening. The visiting veterans and their families enjoyed the day as guests of the Legion.

HAS BASEBALL TAKEN A SUDDEN SLUMP IN GEORGETOWN

Not so many years ago Georgetown was one of the best baseball towns in this part of Ontario. What has happened to all the baseball fans, that the attendance at games has taken such a sudden slump? The Georgetown Baseball Club have received such poor support this season that it ought to put sport fans to shame. The club have a good team this year, we believe better than last season, but the attendance has dropped to a point where it is putting the baseball club in a not too healthy financial position. We cannot say definitely, when the next game will be played here, as the schedule is being revised, but when the home team is in town come out and give them your whole-hearted support. Georgetown has beaten all the teams in the league, with the exception of Milton, and their turn will surely come next. What more could one ask for. Don't wait till the play-offs to help your team—turn out to the league games. It is very disheartening to the boys to have to play to empty benches. Can they count on you being at their next game?

CHRYSLERS SUFFER FOURTH DEFEAT THIS YEAR

Burlington played here last Wednesday night, and the local ball team was forced to take their first beating at the hands of this team, and their fourth loss of the season. The score was 4 to 1. The Chryslers seemed to be just a little off colour in this game, and the absence of Harry Woods on the team—made a marked difference; while Burlington played over their heads. Thorpe pitched excellent ball for the visitors, while McMann's offerings were spotty, allowing Burlington a triple and a two bare hit. Georgetown was as has been the trouble all season, weak on the bat.

* * *

Acton defeated the league-leading Milton team on Saturday by an 8 - 1 score. This is the first defeat the Miltonites have suffered this year. Norm Morton was back on the hurling staff for Acton, and has proved a tower of strength to the Tanners. Clements and Exard were on the mound for Milton.

* * *

Georgetown Baseball team are playing in Acton tonight. Good luck boys.

* * *

The home team is scheduled to go to Burlington on Saturday.

* * *

Brampton has dropped out of the Halton County League.

* * *

Hillsburg defeated Brampton 5 - 4 in an exhibition baseball game last week end.

* * *

Stop the Press News—At a meeting in Milton last night it was decided to finish the baseball schedule as is, after which home and home games will be played.

MIDGET BASEBALL MAKES BOW TO-MORROW NIGHT

With Jimmy Fowler of the Toronto Maple Leaf Hockey Club as umpire, Georgetown's Midget Baseball League will make its initial appearance on the sandlot in Georgetown Park, tomorrow (Thursday) night at 7 o'clock. The league is composed of teams representing the teams of the American, National and International leagues; and will feature all the outstanding players. At the opening game, Pte Glen Lane, known as the National All-Stars will meet the American All-Stars. Mayor Gibbons will throw the first ball to officially open the series, and the game will be preceded by a parade of all the young 'Pros' in uniform, led by the Band.

* * *

Give Midget Baseball the support you gave Midget Hockey—and soon you will have teams in Georgetown capable of taking their place with the better clubs in Ontario's sport field.

Sport fans are interested in the advance news we are able to bring them regarding the 1940 Olympic meet in Japan. Here is a further bulletin:—The 70th session of the Japanese Diet appropriated 4,300,000 yen, roughly $2,000,000, to subsidize the XIIth Olympic Games. Prince Iesato Tokugawa, member of the House of Peers, is president of the organizing committee of the XIIth Olympiad and Baron Kelichi Kubota, general secretary. It will be the first time in the 40-year history of the event that the Olympic Games have been held in Asia.

Georgetown golfers went to Oakville last Saturday and lost to the club 34 to 14. They were entertained at a dinner in the club house.

A PLEASANT HOLIDAY

Last week end we enjoyed a very pleasant holiday motor trip, and on returning thought the readers of this column might be interested enough in the places we visited, to read a short account of our trip.

After getting your Herald to the street by 3 p.m. last Wednesday, June 23rd, we managed to tear ourselves away from the daily routine long enough to take in some of the beautiful scenices of Canada's northland. For those who have never taken the Ottawa Valley trip from the city of Ottawa through to North Bay we might say that words fail to describe the beauty of the north country.

Leaving Georgetown around four o'clock we took the much-travelled highway route through Oshawa, Belleville and points east. From this district down to Belleville we might say that the colntry looked much the same in its loveliness—green fields of extra good quality wheat and other grains and gardens; but from there to Kingston the country presented a more barren state—with considerable waste land—rocky in places or poor pasture land. Good farms were few and far between from Napanee to Kingston, and as the dusk of evening was falling this part of our journey appeared the least inviting of all.

We did not take time to look up points of interest on the first day of our trip, as Renfrew was our objective, but we gave the General Motors plant at Oshawa the once over.

We arrived at Kingston about 11 o'clock and decided to stay there for the night. No; not at the penitenitary, but at a hotel. However, bright and early Thursday morning we enquired of the first flat-foot, who happened to be the chief, the way to Portsmouth. Contrary to advance reports as to the size of this institution, it is our opinion that the Guelph Reformatory is equally as large, and Portsmouth cannot boast the beautiful lawns and flowers, although it is also a well-kept place. And so to Ottawa, the capital of our fair Dominion.

On arriving at Ottawa via the highway route which takes you right into the main business section of the city, one cannot help but admire the beautiful boulevards with their flowers, shrubs and well-kept lawns along the Rideau Canal. This array of summer beauty extends for miles—from the Government Experimental Farms on the outskirts of the city, almost to the Chateau Laurier hotel in the city proper. Of the cities and towns of Canada and the United States that we have been so fortunate in visiting, Ottawa stands out as being the most beautiful of them all. A wonderful spot for the capital of a great dominion.

Our time being limited, we wanted to see the most important places of interest—so of course we went first to Parliament Hill. Parliament Hill, with its immense stone structures, where the laws of Canada are set forth, is situated in the heart of this great Metropolis. Entering the Parliament Buildings one is struck by the vastness of the places—the huge pillars and skilled masonry. You are met by genial guides who derive the greatest of pleasure in directing you to places of interest in the building, answering questions and explaining the history of the various rooms, paintings, etc. Taking two elevators and three flights of stairs we were directly under the huge clock in the Peace Tower. From the Tower you get a panoramic view of the entire city of Ottawa and also Hull, which lies across the Ottawa River in Quebec Province. In the Peace Tower is located the "Memorial Chamber," Canada's memorial to her war dead.

Next we visited the museum—but were not impressed as the Ontario Museum in Toronto can boast a much wider historical display. We also drove over the bridge to Hull before leaving in the evening for Renfrew, where we had planned visiting with friends.

Renfrew is a very busy town, with a population of 5200 and a large tourist trade, being on the main highway to Gallander. While in Renfrew being interested in the printing business we were invited by the editor of the "Mercury," Mr. Roy Hadre, to view his well-equipped plant.

Saturday we decided to return home by way of North Bay as the distance would be practically the same. The drive along the Ottawa River will convince anyone why the American tourists choose Ontario for their vacations. The whole countryside is dotted with lakes and rivers that look so peaceful among the hills and virgin forest. The lovely sand beaches of most of the lakes and also along the Ottawa River of the north have not been invaded by week-end pleasure seekers, and as we stood on the banks of French Lake, with not a home of a single soul within miles, we could not help but think that this part of Canada was surely God's own country.

Renfrew to North Bay, a distance of nearly two hundred miles, there are very few farms, and in fact, very few settlers—with the odd hamlet scattered here and there (with the exception of Pembroke and Mattawa) throughout the valley. Indians and pioneers of the north, who live principally by fishing and hunting, and work they may receive on the highway, seem to be quite contented in their small log cabins along the way. When you look at these cabins—some of which are no more than shacks—and compare them with the beautiful homes of Southern Ontario—one is impressed by the old adage "that one half of the world doesn't know how the other half lives."

You may ask the condition of the highway between Ottawa and North Bay. Spending the night in North Bay, you leave the pavement, but a better gravel road could not be found. Anyone desirous of making this trip will find this highway a pleasure to travel.

Spending the night in North Bay, we arose early Sunday morning, to go to Callander to see the Dionne Quints. There was an exceptionally large crowd on hand on this particular Sunday morning, and everyone was delighted when the time came to see "Canada's Sweethearts." They are really little sweethearts, too, as one American tourist put it—every bit as pretty as their pictures. Callander is a much busier place than when we were there last summer, and actually hundreds of people lined up for the 9.30 showing of the Famous Five.

We then continued on the last lap of our journey—which takes you through the Muskoka district—Ontario's summer playgrounds—arriving home in the early evening—somewhat tired, but much happier after visiting some of the beauty spots of our own province.

HERE IS WHAT THE WORLD PAYS FOR TO-DAY

A man who enters the prize fighting ring with the idea of hitting some other chap so hard he will stay down while an official counts ten must be in good physical condition. But so must the man who goes forth to do a hard day's work. But the world does not pay the man who does a hard day's work a great deal of money. He is apt to get just enough to pay his way and if he is careful he may have a little left over. But not much. The world will pay money to the men who go in for fighting. We noticed this list of prize fights for this season, together with the estimated gate receipts in each case:

Nestell vs. Pastor, Los Angeles, $60,000.
J. H. Lewis vs. Ettore, Philadelphia, $35,000.
Bruddock vs. Louis, Chicago, $500,000.
Parr vs. Neusel, London, $150,00.
Lynch vs. Kane, London, $50,000.
Lewis vs. Gainer, Pittsburgh, $20,000.
Ross vs. Montanez, New York, $300,000.
Steele vs. McLarnin, Los Angeles, $100,000.
Ambers vs. Montanez, New York, $80,000.
Schmeling vs. Louis, New York, $900,000.
Nestell vs. Baer, Los Angeles, $50,000.
Adamick vs. Tolles, Detroit, $35,000.
Steele vs. Oppotoll, San Francisco, $40,000.
Armstrong vs. Sarron, Los Angeles, $20,000.

And that makes a total of $2,240,000 which will be paid to the 26 men who participate in the ring. And that amount would employ 1,120 men for a year and pay them each $2,000.
