There Clure, George Henderson beef calf. (Continued on Page 4) is one other very convincing fact to is one other very convincing fact to assist one in arriving at the correct conclusion. Ontario's financial posttion is so strong to-day that the interest rate which we are paying tointerest rate which investor's demand-

ed from Ontario four years ago. In addition to balancing the budget we have reduced taxation. We have abolished the Amusement Tax. We have assumed the full cost of Provincial Highways relieving the Counties of 20%. We have increased the Government grants to County roads.
We have assumed the full cost of Old
Age Pensions. We have assumed the
full cost of Mothers Allowances. We have reduced motor car licenses. In addition to all of these reductions we have made a grant of one mill to every local municipality in the Province. The total savings of taxation in Halton County alone which have been given to us by the Hepburn Covernment since we took office to opponent to refute these figures. This result has been brought about

through economy and through an honest collection of taxes. We have not increased taxes but we have collected them and have placed no favourites. In doing this we have made main, enemies, but we have brought. relief to the electors of this Province. Instead of, a spirit of defeat and fail-ure which existed three short years ago towday, we have a spirit of confi-dence and optimism. I predict that when the election is over Mr. Rowe and his supporters will not find that the electors of this province can be fooled by fake advertising. Mr. Rowe says he is to be trusted. I put my trust in the intelligence of the elec-
