WIFE WHO WAS CROSS AND TOUCHY

LLOYD D. DINGLE

Put Herself Right With Kruschman

"I am 39 years of age," a woman writes. "For some days I have been feeling unwell and looking 100 years old. I would get fits of exhaustion for no good reason at all. I was not fit to live because I would be so cross and touchy. I did not seem to have any ambition to do my housework. I was tired all the time. Kruschman's little yellow pills did the trick. I had scatica all down my left side from the hip. My doctor says all this is caused through my nerves. I took Kruschman and found it helped me very much. Since I started taking it I am a different person. My work seems a lot easier and I have a lot more energy."

Mrs. G.M. writes: "Little daily dose of Kruschman puts an end to nervousness and depression, because it restores the eliminating and to proper activity by providing them with the daily restful and daily aid which they require. Cleaned and invigorated blood is sent to all parts of the system, carrying new vitality to every nerve and new vigour to every limb."
