PERSONALS

Mr. Ian Mackenzie of Kingston spent the week end at his home here. Mrs. Eric Allan of St. Thomas spent the week end with her parents, Mr. and Mrs. O. T. McKay.

Mrs. James Corner and son James of Stewarttown spent Sunday with Mr. and Mrs. Wm. Ward.

Mr. Harvey Willson of Toronto, and Mr. and Mrs. McLeay and family of Mimico were visitors with Mr. and Mrs. W. H. Willson on Sunday.

Miss Ethel Harrison of Streetsville is spending the winter with her uncle and aunt, Mr. and Mrs. Wm. Ward.

Mr. Y. M. Bennett, Clerk of Equestrian township, who has been confined to his home for the past three weeks is improving slowly. His numerous friends hope soon to see him around again as usual.

Mr. and Mrs. R. S. Carter of Norway and Mrs. Elliott of Thornhill attended the National Hotel Exposition in New York City last week. While in New York they were granted the privilege of a tour through the Queen Mary, which was in dock there.

Mr. Allan Leslie of Brandon, Man., is visiting with his brother, Mr. Geo. Leslie, and other relatives in town and district. Mr. Leslie had his 30th birthday on the train when coming east on Nov. 23rd. He left here for the West in 1900 and this is his second visit to the old town since. Notwithstanding his long sojourn in the West he still thinks old Ontario is the banner province.

MIDGETS MUST REGISTER IN ORDER TO PLAY HOCKEY

Only 30 Midgets registered on Saturday last, when registration was called for at the town hall. This is less than half the number who were in the league last year, and it is necessary that all boys register at once if they wish to play hockey this winter. The number of teams will depend on the number of boys who report. Registration will be held again at the town hall on Saturday at 1:30 p.m., when you can get your cards and booster tickets. Two additional teams may be formed of boys 14 and 15 years of age. These teams may even form a league with Milton and Acton this year. So get registered boys; if you wish to do so before Saturday, see Bob Goldham for cards and tickets.

—Substitution of busses for street cars in Guelph proved a popular move with citizens.

ERIN

Mr. and Mrs. Fred Thompson, of Georgetown, were Sunday visitors with Mr. and Mrs. Marshall Thompson.

Miss Margaret Bingham and Mr. Donald Houston of Georgetown spent the week end with Mr. and Mrs. W. R. Bingham.

It is reported petty thieves were active during the service in the United Church on Sunday evening, when the gasoline was drained from two cars and a spare tire was missing.

Mr. N. E. McKinnon received a gold medal from the Dominion Clydesdale Association last week, emblematic of winning first honors in the horse judging competition at the O. A. C. Guelph, last June.

Mr. Norman Orr won the Robert Graham Memorial Trophy for judging heavy and light horses in the Junior Farmers' Judging Competition at the Royal Winter Fair. Mr. Donald Matheson was eighth in the very large class of competitors.

It is reported that a party stopped at a service station on the highway between Erin and Guelph, secured eight gallons of gasoline, stepped in the car and disappeared, catching the attendant so unawares that he failed to get the license number.—Advocate.

The Small-Town Paper

Editorial Appreciation of the Journalists in Smaller Centres

The Lindsay Post says that some of its personal friends have made it a point to "josh" it a little on a recent editorial mentioning that the Post was widely quoted.

The Journal has frequently reprinted excellent little articles from the Lindsay Post and in the editorial about which it has been "joshed" the Post was altogether too modest. No editor of a little-town paper needs to "sing small". Of all the newspaper editors he should be most "in touch" with what is being done and thought by the people who are the backbone of this country—by people who have time to think and who have opportunities for thinking straight because they have fewer distractions.

Some of the greatest influences for good in the history of Canada have been editors of small-town papers.

The Journal could enumerate quite a few little dailies and weeklies whose editorial comments have a refreshing quality and are worth reprinting. We wish there were more of them. We wish more of these modest editors would write their views—not on party politics as much as on other phases of life in the rural districts. They would be doing a service to their communities and to their country, besides providing enjoyment for themselves and interesting matter for such papers as The Journal, which every day starts its careful examination of exchanges with a new zest, a new desire to find something worth while.—Frank The Ottawa Journal.
