OBITUARY

REV. W. H. DOUGLAS
 Rev. W. H. Douglas, beloved husband of Martha Torrance, and son of the late Mr. and Mrs. Samuel Douglas of Uxbridge, Ont., one-time pastor of Norval United Church, passed away on Sunday, Dec. 19th, at his late residence 549 Russell Hill Road, Toronto. He is survived by his wife and two sons, Dr. Lennox H. Douglas of Galt, Ont., and W. Ryerson Douglas, of the teaching staff of Northern Vocational School, Toronto. Two brothers and one sister also survive: Rev. E. T. Douglas, retired minister of the United Church, Toronto; Mr. Alfred Douglas, merchant of Makinak, Manitoba, and Mrs. Gertrude Mathers of California, U.S.A.

The deceased retired from his last charge at Mount Pleasant, Ontario, some two years ago because of failing health. He had since resided in Toronto; and although he had not been as well as usual for some time, the end came with shocking suddenness.

Mr. Douglas commenced his ministry as a missionary to the Canadian West, subsequently returning to Ontario and offering himself as a candidate for the ministry in the Hamilton Conference of the Methodist Church of Canada. He was ordained at Hamilton in 1900 and commenced his ministry at Jarvis, Ont. During his career he has ministered to the following congregations in Ontario: Jarvis, Trafalgar, Rockwood, Port Elgin, Canfield, Norval, Lynden, Port Robinson and finally Mount Pleasant.

Those who have been associated with Mr. Douglas in his work in the church remember him as a fearless soldier of the Cross, an untiring worker in the cause of Christ, and a kindly sincere gentleman whose genial smile and warm handclasp will never be forgotten. He was rich in faith, he was steadfast in hope, but above all he abounded in charity. Like the good Samaritan he never passed by on the other side, but went down into the lowly paths to bring many a wanderer home. His favorite sermon was entitled: "The selfless Christ," and in his own life he sought to follow his master by sacrificing his personal ends for general weal of mankind.

The funeral service was held at the Morley Bedford funeral chapel, Eglington Ave., Toronto. Three of the deceased's fellow ministers conducted the service: Rev. Mr. Hazard, a boyhood chum; Rev. Dr. Thomas Roberts, president of the Hamilton Conference, and Rev. Mr. Hunt, chairman of the Brantford Presbytery.

The pallbearers were Dr. L. H. Douglas, W. Ryerson Douglas, Tor-

rance Douglas, Douglas MacGinnis, Sydney Douglas and John Charles Scott. Interment took place in Park Lawn Cemetery.

On Sunday, Dec. 28th, a memorial service was held in Rev. Mr. Douglas's last charge, Mount Pleasant, Ontario. The service was conducted by Rev. Robert Young, the present minister, assisted by Rev. Dr. Roberts of Galt, Rev. Mr. Hunt of Hespeler, Mr. R. A. Thompson, superintendent of the Sunday School of Lynden, and Mr. Piant, superintendent of the Mount Pleasant Sunday School. These clergymen and laymen paid great tribute to their brother clergyman and beloved pastor, respectively. They spoke of the earnestness of his devotion, the inspirations derived from association with him, and finally his many worthy accomplishments in work of the Church. The statement above, giving the results of our 1937 operations, is approximately correct, although there will be slight variations when the books are finally closed on Dec. 31st. From this statement it appears that our surplus on the year's operations will be slightly over \$1000.00.

This year our general county rate was dropped from 5.55 mills the 1936 rate, to 4 mills. This apparently large reduction is largely explained by the new High School Act, which came into effect this year. Formerly the

cost of county pupils attending the various high schools was included in our general levy and a refund made the following year to the high school districts to cover the amounts paid by them under the levy. Under the new act, the cost of county pupils is assessed directly against those parts of the county not included in the high school districts, (in Halton, the four townships). This will be no real change in the amount paid by any municipality, but will be a much simpler and more direct method of handling these costs.

Another factor in our decreased rate is the assumption by the Province, since last March, of the full cost of Old Age Pensions and Mothers' Allowances. This has relieved the county of payment of some \$15,000 during 1937, and will probably mean a saving of over \$20,000 in 1938. Other social welfare costs are somewhat higher this year. Owing to extensive repairs at the House of Refuge, \$1000.00 more than last year was required. Costs of the Children's Aid Society and child welfare are also slightly higher. There was very little change in the amount of hospital accounts.

A review of some of the other larger items in our expenditure might be interesting. Administration of Justice costs have been almost doubled this year. These costs are always uncertain, and were unusually low last year. This year, owing to a very large number of inquests and heavy expenses at both the assize court and sessions, they have increased at least 75 per cent.

The expenses and upkeep of the geol and county buildings are also slightly increased this year, owing to necessary repairs to the court house roof, redecoration of the court room and replacement of certain equipment.

It is gratifying to know that the credit of the county is apparently in first class standing. For the past three years we have been able to sell five year debentures, carrying only three per cent, at better than par. This year's price of 106.52 being the highest yet received.

Our debenture debt is being steadily reduced, and will amount to approximately \$440,000 at the end of

this year, as compared with \$622,000 at the end of 1936. With the county entirely relieved of Old Age Pensions and Mothers' Allowances, and with other conditions being as favourable as they now appear, it is to be expected that we will be able to make a further slight reduction in our rate for 1938.

Music of Many Races

Canadian Mosaic, illustrated with the music of the many races settled in Canada, will be the subject of a series of ten broadcasts which will be produced by J. Murray Gibson, general publicity agent, for the Canadian Pacific Railway for the network of the Canadian Broadcasting Corporation on Sundays, commencing January 2. Frances James, one of Canada's leading sopranos, will be the soloist interpreting songs specially written on Canadian themes to tunes which have been

brought to this country by the races in question—French, Scotch, English, Irish, Welsh, Scandinavian, German, Ukrainian, Polish, Czech-Slovak, Finnish, etc. The Toronto Conservatory String Quartet under the leadership of Eile Spivak will contribute instrumental music by the outstanding composers of the races in question.

The idea of this series of broadcasts is to create a better understanding of the contribution made to Canadian culture by the various racial groups in Canada, and may be considered as an interesting sequence to the Folk Song Festivals organized at various points in Canada some years ago by the company. The time for the broadcast will be 7.30 to 8.00 P.M., 8.30-9.00, A.M.T., 8.30-9.00 C.M.T., 8.30-9.00 Mountain Time and 4.30-5.00 P.S.T.
