'INTERNATIONAL PEACE'

A well attended meeting of the Georgetown Forum of Public Affairs was held in the Gregory Theatre on Sunday afternoon, when the speaker was Miss Elizabeth F. MacCallum of Uxbridge and the topic "International Peace."

Miss MacCallum, who was formerly of the Research staff of the Foreign Policy Association at New York, gave a clear insight into the working of all peace movements and explained the internal workings of the League of Nations and other National Peace treaties. She explained the limits of such negotiations and gave examples of the successful work accomplished during the past few years. Her talk included a clear view of the Manchurian situation.

A vote of thanks was tendered Miss MacCallum for her very able and interesting address.

TERRA COTTA

Mr. Charles Evans, who has been on the sick list, we are pleased to learn, is now able to be around again as usual.

Wood-cutting and cutting ice have been the general order of the day.

Our farmers are busily engaged storing their ice for the summer. They are getting the ice off Mr. Martin's fish pond on the 10th Line, and it is good spring water ice and about 14 inches thick. Mr. C. Gibbs our genial ice cutter is a busy man these days.

Miss Emma James of Monticello spent a few days with Terra Cotta friends.

Mrs. K. Leam our enterprising merchant has her gas tank illuminated with hydro-electric. It is a considerable improvement in illuminating our Main street these dark nights.

We wish to extend our congratulations in behalf of the Terra Cotta Dramatic Club, who we understand won out in a dramatic contest held at Norval, recently.

We are sorry to learn that Mrs. J. Eaves is now on the sick list. We hope soon to hear of her recovery.

Mr. L. Atkinson spent a few days with friends in Toronto.

Our local quarries hope to be able to resume operations again in the near future.

We are pleased to learn that Mrs. M. Ott of the 10th Line who has been confined to her room with diphtheria, is now able to be around again. We hope soon to hear of her complete recovery.

Mr. G. McNally, our truck driver, reports doing a rushing trade.

Mrs. D. Atkinson, who was laid up with the flu for some time, is now able to be around again as usual.

Master Douglas Edge met with a painful accident on Saturday afternoon while playing hockey. His opponent accidentally struck him over the eye with his hockey stick inflicting a nasty wound. Luckily he escaped not having his eye knocked out. We hope soon to hear of his recovery.

A number of our young people attended a dance and euchre party at Cheltenham on Tuesday evening. The Terra Cotta Orchestra very ably furnished the music for the occasion. All report a good time.

Congratulations to our Terra Cotta and Peel Dramatic Club, who so successfully won the dramatic contest last week in Norval. Mr. F. Petch very ably coached the team.

Georgetown Juniors Lose to Native Sons of Toronto

BY 7 TO 6 SCORE IN EXHIBITION GAME

Georgetown Juniors were hosts to Toronto Native Sons last Thursday evening, and were handed a 7 to 6 defeat by the visitors in one of the most thrilling and exciting games of the local season.

There was a fair crowd of spectators and they were treated to a fine brand of hockey, which included everything permissible under the rules of the O.H.A., with every player in action, even the goalies were kept busy with a bombardment of pucks.

The locals won the admiration of all, and it didn't take long after the game started for the crowd to swing in behind them. The action started in the opening minutes and continued at a more or less hectic pace until the final whistle, when the visitors finished one goal up.

Play was exceptionally fast and clean. Native Sons started with a burst of speed, but were matched by the fast skating blue shirts, and were held at bay by the relentless back-checking of the locals front line. But for erratic shooting, combined with clever saves by both goalies, the score would have been much larger.

The goal-getters for Natives Sons were: Thompson 2, Tvrry 1, McDonald 2, Vince 1, Newman 1; and for the locals W. Richardson 2, W. Ritchie 1, A. Ritchie 1, Joe Hall 1.

Thompson and McDonald were best for the visitors, playing brilliant hockey throughout the game.

The Juniors back-checking and unselfishness, coupled with their daring boring in on goals have made them one of the most entertaining teams to see in action, and they are held in high esteem, not only by their opponents, but by the fans.

In W. Ritchie, Richardson and McNally, the locals have one of the smoothest-working lines in Junior hockey in this district, and the second line made up of Chaplin, Ritchie and Bradley does not suffer in comparison with the first stringers.

The Juniors have a clever goal-keeper, and he gets great protection from the hard-hitting trio, Hall, Dewhurst and Crichton.

The fans are waiting to see the Juniors in action at an early date. Come out and see a real exhibition of the national sport, when they play their next game.

THE TEAMS

Georgetown—Goal, Alcott; defense, Hall, Dewhurst; centre, W. Ritchie; wings, W. Richardson and McNally; subs, Chaplin, A. Ritchie, Bradley Crichton.

Native Sons—Goal, Fisher; defense, Vince, Toser; centre, Thompson; wings, McDonald, Terry; subs, Newman, Pyfe, Nevin.

Referee—H. Tout, Georgetown.

The little city girl stood and watched the farmer milk the only cow he had. The next morning the farmer was much excited, as the cow had been stolen during the night.

Farmer—Dest the thief that stole that cow. He's miles away from here by now."

Little Girl—"I wouldn't worry 'bout it, mister, they can't get far away with it, 'cause you drained her crankcase last night.
