Essential Old Type Concept

A full house greated the Norval Young People's Union of the Anglican and Presbyterian Churches when they presented their Old Tyme concept in the town hall here last night, under the auspices of the Park Circle of Knox Presbyterian Church: Every number on the program was appreciated and much credit is due the pound place are likely to continue acarce as, according to Dept. of Agriculture estimates, sows to farrow in the first six months of this war. cheon served in the Bunday School room of the church following the entertainment.

pleasing feature took place. The Fresident, Mrs. J. W. Kennedy, called Mrs. Mimms to come forward and mers' Co-operative Company in a few well chosen words, express-ed the appreciation of the Ladies Aid for the valuable services she had rendered during the two years she was President of the Society; also their regret at her removal from our midst.

Mrs. Tyndall, on behalf of the Society, presented Mrs. Mimms with a silver casserole. Although completely taken by surprise, Mrs. Mimms very feelingly thanked the ladies for their kindness, and said there would always be a warm spot in her heart

People's Society of Georgetown United Church Society. The visitors provided a very interesting program. Mr. Arthur McKeown opened the meeting and welcomed the visitors; then Miss McDermid, President of the Georgetown Bodiety, took the chair. The first part of the program was a worship service, conducted by the President. Then followed a varied programme, consisting of a plano duett by Misses Marjoric Gibson and Helen Brown; two vocal solos by Miss. Helty Speight; a short akit, entitled "The Fatal Quest;" vocal solos by Mr. Charles Wilson; an address by Rev. Mr. Humley, on "Spiritual Vision," in the brooder house a thorough cleaning, and if hans have wintered in the brooder house a thorough cleaning, and if hans have wintered in the brooder house be extra particular. Not only sweep down the walls and scrape the floor, but saturate the floor and walls with a good disinfectant. This is not only a precaution against disease germs but against the young chicks becoming infested with lice or mites, either of which might prove fatal to the chicks. If the weather is cold it might pay to line the brooder house with paper and brooder house a thorough cleaning, and if hans have wintered in the brooder house be extra walls and scrape the floor, but saturate the floor and disinfectant. This is not only a precaution against disease germs but against the young chicks becoming infested with lice or mites, either of which might prove fatal to the chicks. If the weather is cold it might pay to line the brooder house with paper and the brooder house with course the floor and disinfectant. This is not only a precaution against disease germs but and the brooder house is the floor of the floor only a precaution against disease germs but and the brooder house is the floor only and floor only and the floor only Mr. Rumley, on "Spiritual Vision," stove running for at least 48 hours and concluded with community singing, led by Mr. Wilson. After a contest, led by Miss Gladys Agar, retemperature at about 100 degrees F.
freshments were served and a social under the hoover, 2 inches about the time spent by the two societies.—Free floor level.
