SCOUT NEWS

Last week's most successful meeting was conducted with over twenty boys present. The evening opened at 7:30 with flag-break which was followed by a corner inspection. In this event the boys were victorious and it is they who will be the honored guests at next week's banquet. Then, after fifteen minutes of songs, the boys enjoyed over thirty minutes of games and competition. The last fifteen minutes of the evening was spent around a council fire and the meeting closed at 9:15 with the lowering of the flag.

On Wednesday evening a farewell banquet was held at the residence of Mr. C. Martin, Chairman, who was leaving town for the summer, and during his absence Mr. W. J. Taylor, Assistant Commissioner, will be in full charge of the 1st Georgetown Pack. The guest of honor of the evening was the Rev. Dr. Jones, who spoke very touchingly to the Cubs on remembrance and on being loyal to our friends. After the banquet the boys played a short game of ball, which ended when someone knocked the ball into some long grass. We are looking forward to see how the A. M. E. runs his first Cub meeting.

On Monday several of the Scouts were busy engaged in farming on our official half-acre and as a result many beautiful plants have been contracted. However, the great work is almost complete and the plants are growing. Some of the plants grow. Someone suggested that we grow peas around the Great War monument but it is too late in the season to grow them.

The 1st Georgetown Troop wishes to announce that from this date until June 15th, 1933, will be canvassing the town for the purpose of selling subscriptions to the Canadian Scout Magazine. The money to be subscribed to this magazine may do so by speaking to one of the Scouts before the above date. The money is to be used in the manner to aid the troop in raising camping funds for this summer's activities.

BRICK and STONE WORK If you have any brick or stone work to do, or any chimney to build or repair, phone 115. Prices reasonable. Chas. E. Walker, Georgetown.
