After a bountiful supper, the President welcoming the mothers, and former assistant teachers, concluded by proposing a toast to the King. The toast to the mothers was proposed by Miss Lew Tracy, to which Mrs. A. Howe responded. The toast to the daughters was proposed by Mrs. J. Miller, and was acknowledged by Miss Mary Howe. ## SCOUT NEWS

Last Wednesday evening a very successful meeting was held. The program opened at 7.30 with the Lord's Prayer followed by flag-break and a troop inspection. Next, the patrols held a corner session of fifteen minutes during which time Tenderfoot work was well mastered. At the call of the whistle the Scouts assembled in the large room and were taught two new troop formations by the Assistant Scoutmaster. Following this came a knot-tying competition in which the Beavers were victorious after a hard fight. Then, after thirty five minutes of games, a fifteen minute council fire closed the meeting, which ended with the lowering of the flag at 9.30.

During the evening Scout J. Marlow was promoted to the rank of Patrol Leader of the Foxes and they are to be congratulated upon having chosen a very competent and intelligent leader.

On Thursday evening several members of the troop enjoyed a game of softball with our old friends, the Trail Rangers, and as might be expected the score was 20 to 10 in favor of the Trail Rangers. However, the Scouts never know when they are beaten and another encounter is to be held soon.

The "Official Half-Arse" is coming along nicely, and the boys are well pleased with the fruits of their labours. And if the vegetables continue to grow in proportion to the amount of work put into planting them, there is no telling what the result may be.

## ARM NUMB WITH RHEUMATISM

### Woman's Thanks to Kruschen

"I have been suffering from rheumatism for years. At one time I could scarcely walk with pains in my feet. The thumb of my left hand was so stiff I could only bend it with the aid of the right hand. I was afraid to go to bed, as my right hand and arm up to the elbow used to go numb, and the pain was just terrible until I got the circulation going again. I started to take a half-teaspoonful of Kruschen in a glass of hot water before breakfast, and believe me I feel a different woman. I tell everyone what I take, and the good it has done me."—(Mrs.) W.A.B.

Kruschen contains six mineral salts which tone up the liver, kidneys and stomach—and keep them working smoothly and efficiently. The reward of this internal cleanliness is a freshened and invigorated blood-stream. Poisonous uric acid is expelled through the natural channels, and the pains of rheumatism cease. And as you continue with Kruschen, your whole being—body and brain—responds to its purifying force.

## Crusaders at St. George's.

A band of the Church Army, on a motor-march through the Diocese of Toronto, Niagara and Huron, arrived at St. George's on Monday, just before noon, for a twenty-four hour visit to the Parish. Captain Allsorp was in charge, with Captain Cressman as his assistant. There were also Cadets Lambert, Johnson, Fitcher and Allen.

Monday prayers were offered in Church by the Rector on arrival, with a word of welcome to the Crusaders following the benediction.

The evening service was a Minden Service, taken almost entirely by the Crusaders, the address being given by Capt. Allsopp.

The closing service was a celebration of the Holy Communion at seven o'clock on Tuesday morning.

The Crusaders used the Club Room of the Sons of St. George as their dormitory, and the ladies of the congregation welcomed them to their homes for meals.

The band consisted of six cheerful and devoted young churchmen, wholesome, healthy and happy, yet filled with a spirit of love for and service to Christ and His Church.

### RALLY ROSE 6 LADIES AUXILIARY TO CANADIAN LEGION BRNH.

Grant of Swansea, and Provincial Secretary, Mrs. Olan of Toronto were present. Mrs. F. Brailsby, Zone Representative, took the chair.

During the evening reports were given by secretaries of institutes. A question box was passed and the Provincial President answered all questions. At the close of the business session a bouquet of roses and lilies was presented Mrs. Green and Mrs. Olan by Mrs. Brailsby, after which a banquet was served. Mrs. Tom Orlowe and Mrs. W. Money were in charge of arrangements; six daughters of members acted as waitresses—M. Perry, J. Maxey, M. Alcott, M. Jones, A. Orlowe, L. Francis.
