It is a wonderful fact that...
"No, the wonder is that so many people can get a living out of something I've never paid for!"

What have I done!

This striking picture reproduced above played an important part in a recent highway safety campaign in the United States. This picture will be used by the Motor Vehicle Bureau of the Ontario Department of Highways in safety advertising. The Department is using the picture and the slogan in an endeavor to stem the tide of accidents on the highways. Last year's record shows 507 persons killed and 2311 injured in automobile accidents in this province.

BEWILDERED BY FRANTIC BOASTS

—the public has held to a solid fact which it can believe—the simple truth that through 18 years of claims and counter-claims—more motorists have chosen Goodyears than any other tire.

Goodyear emerges from a period of distress selling of bargain tires with its leadership actually increased. More people than ever have discovered that when money must go farthest Goodyears are the best buy.

GOOD YEAR

MORE PEOPLE RIDE ON GOODYEAR TIRES THAN ON ANY OTHER KIND

A HARVEST YIELD

Once more the harvest season is upon us. Once more with harvest song and shout is nature's bolder triumph told. Our common motor roads and steps like fields among her garnered harvest are full of good things. Her lap is bright with autumn leaves.

WORKERS' COMPENSATION

During the month of June there were reported to the Workmen's Compensation Board 2138 accidents, an increase of 1388 during May and 2121 during June of 1932. The total accidents reported in 1932 as compared with 1931 is 18,145 in May and 18 in June last year.

WIFE'S

Richard—Do you love me, Richard dear?
Richard—Nah! Do you suppose I'd be laughing my head off and shouting at your father's state police if I don't love you?

SAYS EVERY MAN OWES HIMSELF A LIVING

Mr. Manning Dobson, minister of agriculture to the Druy Government, who has now returned from his tour of inspection in the United States, has taken the view that the present social system is building up trouble in that it is developing a class of unemployed people to expect the state to support them.

WHY IS MY NEIGHBOUR

All good Christians believe, of course, that they ought to love their neighbors as themselves; but there are many among them who have had a hard time of it. "Who is my neighbor?" The idea that the neighbor is the person who is nearest to us is a very old one. It is the person who is nearest to us who is the person who is nearest to us.

THE WORST BOY IN THE DISTRICT

A police court reporter saw a great deal of the wrong side of human nature. He could perhaps become a hospital attendant if he were in a position where he could do so. He could do so in a position where he could do so.

MY OWN CANADIAN MOORS

Though other sides may be as bright as these, the moors of Canada are a different kind of moor. They are a different kind of moor. They are a different kind of moor.
