QUALIFICATIONS OF A GOOD PARSON

On a card in a church in the City of London is to be found the following list of qualifications said to be needed by a parson: The strength of an ox. . The tenscity of a buildog.

The daring of a lion. The patience of a donkey. The industry of a beaver. The wreatility of a chameleon. The vision of an sagle. The meekness of a lamb. The hide of a rhinoceros. The disposition of an angel. The resignation of an incurable. The loyalty of an apostle. The heroism of a martyr.

The faithfulness of a prophet. The tenderness of a shepherd. The fervency of an evangelist. The devotion of a mother.

MISTAKES OF LIFE

To expect to set up our own standard of right and wrong and expect To try to measure the enjoyment of others by our own. To expect uniformity of opinion in this world. To look for judgment and experi-To endeavor to mould all dispositions alike. Not to yield to unimportant tritles. To look for perfection in our own To worry ourselves and others about what cannot be remodied. Not to alleviate if we can all that needs alleviation. Not to make allowance for the weakness of others. To consider everything impossible that we cannot ourselves perform. To believe only what our finite minds can grasp.
To live as if the moment, the time, the day were so important that it would live for ever. To estimate people by some outside quality, for it is that within which

VALUE OF ADVERTISING Miss Margaret Pennell, Toronto advertising agent and president of the men's Institute in that city. She told them some worth while things about the value and scope of advertising. Pointing out that since 1929 newsfallacy in undeniable argument when she said: "You have heard people say. 'All this expensive advertising must be paid for by someone-it is added any help it, whether you're Heb or to the cost of the article, so we pay, mor." Things would be cheaper if firms did no: advertie. But it is not you or me who pays-for if it were not for the advertisers we would pay more for cur newspaper: we would have a maller selection and higher cost, because of smaller turnover. Through advertising our paper is put within
