A Guide Post You Can Trust

for the shorter races.

Public preference for Goodyears for 18 years is no haphazard verdict. Tires are not a small purchase. The motoring public thinks before it buys—and year after year its first thought is Goodyear.

The number of Goodyear Tires in service almost equals all other brands combined. This overwhelming preference, backed by the motoring public's hard-earned money, in lean years or good years, is the best answer to bewildering claims and boasts.
