## Georgetown Intermediates Drop Two Straight Games

LOVE TO ELMIRA 4-1—ELMIRA 3-1  
Zip—And down went the Mercury to 15 below—and down went the Georgetown Intermediate team in two straight games. The first game was played on Thursday night by a 4 to 3 score. The Elmira boys were the victors and won by a small margin. There was a good crowd of spectators who braved the winter blast, to be rewarded by an excellent exhibition of hockey. The boys on both teams traveled at full speed throughout the game and made an effort to keep warm. It was a typical early season game with the local club showing lack of action. The Elmira team have had several weeks training under their belts and were in good form. The game started off in great style. Schmidt scoring on a solo in the first ten minutes of play. Kingy put the local boys on the map in the second minute. They showed more aggressiveness and were rewarded for their efforts. The Elmira team scored a penalty. The sandwich reel opened with Blackburn scoring for the locals when he found the way through the Elmira defense in the first two minutes of play. Pope then put the team in the lead when he scored a goal down the middle in front of the net and slipped the rubber past Howard. Kingy then came back and smacked their way to the net with a goal. The Elmira boys scored a goal in the second period. The locals pushed every minute of the game. They were trying to score a goal but the Elmira defense was too strong. The game was over. Both teams drew a penalty. In the third period Kingy might be well to mention that P. Blackburn and C. King who have been missing from the team in the last few games, are back again and still going strong. Georgetown—Goal, Richardson; defense, Robinson and Hall; Forwards, Ward and Chaplin; sub, King, Pope, Ritchie and Crichton. ## ELMIRA vs GEORGETOWN

A fine game of hockey was ordered for last night when Elora Intermediates played Georgetown. The picture of the hockey fans departed satisfied with the game, if not with the score. There was a great game from start to finish, with a lot of hand-checking, shoving and what have you, but not really rough. The locals did everything they could to win, and it wasn't because they weren't trying, and the visiting goal was called upon to make some reasonable goals. Play in the first period was very even, with fast skating and brilliant stick work. The Elmira boys were the first to score on a pass from behind the net to Fisher, which left the locals with a chance to save. Then on a pass from Ward to Toit to Ritchie the locals swooped down on the Elmira defense and scored. There was no more scoring in the first period and only one penalty, this was drawn by Elmira. However, the locals were more or less used in spots in the second period, and as a result seven penalties were assessed out. Five of them. Pope put the locals one up when he accepted a pass from King and sent the puck into the net. The Elmira defense seemed to take a hand in the game from this point, and before the end of the period Fisher and Houston had both counted. The last period opened with the locals down one goal as a result of several gangling attacks were tried, and only for the clever work of Brown the Elmira might have been different. Although over-anxiety to score spoiled many of their chances. Each team drew two penalties and as there was no more scoring Elora won the affair 3 to 2. Blackburn and Ward were the stars of the evening for the locals, with Blackburn scoring two of their three goals. Georgetown—Goal, Richardson; defense, Hall and Stegall; centre, Toit; wings, Ward and Ritchie; sub, Chaplin, Pope, King, Blackburn. Elmira—Goal, Howard; defense, Houston and Walker; centre, Mattland; wings, P. Robinson and J. Robinson; sub, B. Robinson, Fisher, McArthur, Dryer. Referee—The Hillman.
