Gutlook Brighter for 1934

problematical, before us. What we in Ontario

shall make of it depends primarily on our

resourcefulness, our courage, and our pride.

the worst of it is over, I believe-the Province

finds itself in a rather favored position.

Though many difficulties loom ahead-and I,

for one, do not minimize their complexities-

our Ship of State is once more riding on even

sheltered. None starves. Our credit is un-

impaired. Our institutions, sound. There

is no disorder. Little lawlessness. Through-

out all our trials the people have manifested

their adherence to British tradition and to

British sane thinking. By patience, persever-

ance, and general co-operation with those

entrusted with the reins of administration.

they have proven that the welfare of a coun-

try, in times of stress, comes properly before

things political and matters purely partisan.

throughout 1934-if we are to come safely

and securely through. There should be no

place in our calculations as a Province for

quack tonics and cure-alls concocted by im-

practical preachers and prophets. Experience

is an excellent teacher; and experience, so far, has taught us that our recovery must be

slow and orderly. Moving along such lines the goal we all have long envisioned is assured. One hasty, over-reached step, however,

brighter, and a more prosperous New Year, let me again commend them for the manner

YOUTH PRAYS FOR PEACE

Lord, we are the Youth of every land to-day. Pleading for peace; Union wars come We are the ones elected, Lord, to pay A price too high You gave us life, and That we should die.

Open the blind ever In every land: Open their hearts and Hake theel wie To understand That war is sad. and horrible

And uselies quite; That we, the clean strong Youth Have the good right To life and love and happiness and We would not be Killers of mon-we want to walk

Clean-handed, free From war. with all He horrors. and gread Its dark despair. Lord. May there never be another wa This is our prayer.

-By Cirace Holl Crowell in T

Fileria Highroad

(By Fred Williams to Mail & Emple) Do you know that on this date, Dec 34 in 1847 the Ontarto branch of the Hoyal Caladonia Ourling Club was organised? This may enable the curters of this province to add another feature to our centennial year by next December cembrating the dismond jubiles of that organization. have solved the purite: Where did curting originate? If you ark a Scot, he will, of course, secret, with Boot, he will, of course, exsert, with proper whemence, that there is no doubt the pastime began in Scotland; but there are other people who declared that the game is of continents; origin. These latter, in support of their claim, point to a famous Dutch painting "Die Heimkehr der Jager" ("The Beturn of the Hunters") algored and dated Brussel, lies, in which behind the figures of the hunters can clearly to seen five figures outling on an ice rink. One of the cities propose. an los rink. One of the chief propost-(1771-1871) wrote: "We have all the tyminiscences of the '40s, while he favor of its continental origin. The When at last he sai terms being all Dutch or German admitted it was one of

point to the Low Countries as the piace in which it most probably originated. Had there been only one or two foreign terms one would have militated much for the domestic origin of the game, but the whole of the terms being continental compele us to ascribe it to continental origin." The Hoots on the other hand quote the "Encyclopesdie of Sport" (1807) which says: "This inference from saycurting, in its origin, as in its develop-

firmed that the sport in one form or unother had been practised in Soot- explained to her father briefly that she land for more than four centuries; the Encyclopasdia Britannica says that "the sport has been popular in Scotland for three centuries at least; while J. Kerr, in his "History of Curling" (1800) declared that the our of the smartest shope on Pifith game could be traced back in Boot- avenue. land for mearly 400 years.
