MISSIS CLARIDGE  
HERALD BLOCK (Upstairs) Georgetown

Verily I Say Unto  
You  
The harvest is past, the summer is  
ended, the New Year is at hand and a large  
number of subscriptions to the Herald remain  
unpaid. We know it is only a small matter  
with each individual Subscriber, but in the  
aggregate it means a lot of money to us, and  
we need it right now to meet our obligations.  
Will you, Mr. Subscriber, if you are in arrears  
for your subscription to the Herald, kindly  
let us have the amount owing that we may  
continue to send you the news of Georgetown  
and district each week.  
We need the money, need it badly,  
and we have confidence in our Subscribers  
to grant our request and pay us what is our  
due.  
Up to the week ending 28th Decem-  
ber, 3,197,024 have been credited in  
Canada in 1933, compared with a  
total of 3,100,000 in the previous year, an in-  
crease of 97,024.  
The form of anemia in cattle,  
known in New Zealand as "Bull  
anemia" and in this country as  
"Bull anemia," is regarded as being identical  
with "Bull anemia" of sheep in Scotland,  
"Bull anemia" of goats in Kenya colony,  
Kest Africa, and "coast disease"  
in Tasmania.

Joan's Motherly  
Sacrifice  
By H. LOUIS RAYBOLD

JOAN was not smiling with the  
usual reserved but sister Carol's  
familiarly from college.  
"You look lovely today," she  
said, "and you are so different  
from the girl I knew in college."
