TRAIL RANGERS

The Trail Rangers resumed their regular meeting activities last Wednesday with thirty-one members present. The devotional and business periods occupied the first part of the evening. The Mentor then congratulated the boys for their parts, well done, in the minstrel show and exhorted them to a continuance of their encouraging interest in the club. The captains made a detailed report of their paper-gathering accomplishments and despite the fact that the boys were quite busy the last two weeks they reported another shipment ready for delivery to Toronto.

It was decided to carry on the team competition till the end of April. The individual competition standing shows quite a change but G. Long and J. Bargent still maintain their positions at the top.

The Trail Rangers will attend the Anglican Church next Sunday evening in a group.

In the semi-finals last Friday, the Trail Rangers were eliminated from contention when College View defeated them in overtime by the score of 3 to 1. The Trail Rangers put up a laudable performance before a much heavier team and won many admirers by their plucky effort. The whole team played splendidly and showed real sportsmanship in defeat. They promise to be back next year to carry off the cup.

The individual and team standings are as follows:—

"BERKELEY SQUARE" IS SUPERB PICTURE

"Berkeley Square," heralded as one of the year's outstanding photoplays, will be at the Gregory Theatre, Tuesday and Wednesday, March 13th and 14th, and thereby hangs a tale of superb film entertainment, some of the best acting ever seen, and direction that has rarely been surpassed. It is the Fox production made by Jesse L. Lasky, in which Leslie Howard has the stellar role and which Frank Lloyd directed.

The theme of the film, as it takes a young man of today back 150 years into the life of his ancestors, has already aroused more comment than did the John L. Balderston play from which it was taken. It is a theme of so unusual a nature that its skilful handling makes it a distinct cinematic pleasure.

Leslie Howard gives the best performance of his brilliant career. When you see him as the youth who goes through time practically at will you realize that he is the only one on a long roster of capable actors who could do the job. Heather Angel has the leading feminine role opposite him and her presence bespeaks a perfect selection.
