A Delightful Entertainment The Sunday School Room of Knox Church was filled to capacity on Friday evening, March 23, and the audience enjoyed one of the most delightful programs given for some time. Entitled "Song in Picture." Those taking part were: Mrs. A. M. Neilson, Mrs. H. Stewart, Miss Lillian Howard, Miss Ruth Evans, Miss Willis Price and Miss Doris Healey. All pupils of Mrs. A. L. Howard, of whom a great deal can be said as to her ability in sponsoring such a musical treat. Mrs. Howard very kindly presented the proceeds (which were \$40) to the Women's organization in the church, who wish to take this opportunity of thanking her for the untiring efforts in making this concert a wonderful success. The children in one of the numbers were Betty Zimmerman, Marion Williamson, and Lois Neilson.

Successful Bazaar Mrs. Harry Bailey's store, was the centre of attraction last Saturday afternoon. The Ladies' Aid Society of the United Church held a bazaar and sale of home-made baking and candy. The room was beautifully decorated and the tables well patronized. During the afternoon the pictures were favored with picture sales by Master Robert McChesney, which were much enjoyed by all. The ladies report the sale a great success. —At Dan's L.D.A. Drug Store.

BRAY Orders Increased 10 Times In 7 Years Join the "BRAY FAMILY" in 1934 Bray orders have increased TEN times in the past seven years. That is a better recommendation for Bray chicks than anything else we could say. The current crop comes back, year after year, with repeat orders, is definite proof that Bray chicks BATTLE. There are definite reasons for this increasing popularity of Bray chicks:— Livability and Growth—Bray chicks won 84% of the prize money in a chick-rearing competition last year, against chicks from 44 other hatcheries. Vigor and Stamina—Our breeding flocks laid steadily all last winter, while so many flocks were "out" by cold weather. Freedom from Disease—This is our 8th year of blood-testing and 8th year of Government Approval. See the manager of your nearest Bray Hatchery for information about Bray FOUNDATION GRADE chicks, from eggs averaging 27-28 ounces to the dozen, or write to us direct for FREE booklet, "Highway to Poultry Success in 1934." PERSONALS

Miss Jean Allen of Toronto spent Sunday with relatives in town. Miss Nellie Kennedy spent a few days last week with friends in town. Mr. Wm. Higgins came through the second operation successfully and hopes to be able to come home soon. Mrs. C. V. Orr returned home last week after spending the winter with her daughter, Mrs. Laird, at Kirkland Lake. Miss Martha Burrell of Toronto had returned home after spending two weeks with her sister, Mrs. T. B. Hill, Sr., King Street. Mrs. Mildred Peck underwent an operation for tonsils at Guelph General Hospital last Saturday. She is progressing nicely. Mr. and Mrs. James Wood announce the engagement of their eldest daughter, Miss Louise, to Alan Robinson, second son of Mr. and Mrs. J. Robinson, Hamilton, Ont. Mrs. W. H. Cahan and family are moving to St. Catharines this week. Their many friends here wish them health and happiness in their new home. Mr. W. O. McKay, one of our oldest and most respected citizens for many years is celebrating his 81st birthday today. The editor joins with many other friends in extending heartfelt congratulations. Mr. I. E. Peck had the misfortune to slip on the ice and fall when on the road to his mill, on Saturday morning last. He suffered two broken ribs and a fracture of the spine. He has since been in hospital at Guelph. His recovery is a speedy one. Mrs. James Kennedy, James Williams and Mrs. L. E. Peck are the winter at Camp "B", Howland Park, Morpeth, Ont. On Tuesday of this week they report everything fine at the camp. Many of their friends with their telephone calls have been promoted to an important position with the Mill. The staff has been promoted to an efficient and obliging operator during her years of service in Georgetown. Mrs. Cameron has had every success in her new position. Mr. Al Cameron, who has been the chief clerk at the Mill since the bank of Montreal here during the past two and a half years, has been promoted to the position of branch manager and left on Tuesday to assume his new duties. Al has made many friends during his stay in town and while he is all sorry to see him depart we wish him every success in his new position. Mr. P. M. Boat of Walkerton will succeed Mr. Cameron here.

FACTS ABOUT HYDRO—No. 2 of a series of official announcements by the Ontario Municipal Electric Association, representing the Municipalities who own the Hydro-Electric System of Ontario.

What Hydro Has Saved Domestic Consumers

In 1932, the last year for which comparative figures are available, all the domestic consumers served by Hydro municipalities used an aggregate of 740,000,000 kilowatt-hours, for which they paid the aggregate sum of \$11,676,000, or an average cost, inclusive of all charges, of only 1.57 cents per kilowatt-hour. According to United States census figures for 1932, the domestic consumers served by privately-owned utilities in that country paid an average of 5.60 cents per kilowatt-hour.

It is a simple matter to compute that, if Ontario Hydro domestic consumers had had to pay, for the 740,000,000 kilowatt-hours they used in 1932, as much per kilowatt-hour as United States consumers paid, their bills would have aggregated the vast sum of \$41,490,000, or nearly \$30,000,000 more than the amount their electricity actually cost them under Hydro service.

Comparative Cost of Domestic Lighting Service in Typical Canadian and United States Cities

MONTHLY PAY BILL FOR THIS QUANTITY OF ELECTRICITY UNDER HYDRO SERVICE	UNDER PRIVATE OWNERSHIP
Toronto.....\$1.44	Montreal.....\$3.15
London.....1.74	Detroit.....4.35
Hamilton.....1.74	Buffalo.....4.14
Brantford.....1.74	New York.....6.60
Ottawa.....1.74	Boston.....5.30

Notes—Hydro serves 36,000 rural consumers at an average cost, inclusive of all charges, of 4.37 cents per kilowatt-hour.

Hydro has saved the citizens of the associated Hydro municipalities tens of millions of dollars for electric service. And in addition, it has made possible the enjoyment of comfort-giving and labor-saving appliances on a scale that, but for low Hydro rates, would have been beyond the means of the average citizen. The facts about Hydro speak for themselves.
