WHY BRAY CHICKS PAY

BRAY stock has extraordinary vigor and stamina. Judge from the following: J. A. Leslie, Georgetown, reports that this flock of 123 Bray pullets averaged 33 eggs per bird last December, 30 in January, 15 1/2 in February—53 1/2 eggs per bird in 90 days of coldest weather—and are still laying heavily. Chicks from such stock naturally live and grow better than average. They're money-makers from start to finish.

See the manager of your nearest Bray Hatchery for complete information about these chicks from vigorous, winter-laying stock or for assistance with any chick-rearing problems. FREE booklet on request.

BORN

COOPER—At Brampton Hospital on Sunday, April 29th, 1934, to Mr. and Mrs. George Cooper, Georgetown, a son.

DIED

TIME TO CLEAN UP

Spring is the best time to clean up the untidy property owners and tenants, the most natural tendency is to arm themselves with the necessary tools and materials to give the outside of their property the same neat and tidy appearance as does the industrial housewife in her spring house-cleaning operations. Perhaps the most important aspect is that of health. Fortunately, Georgetown's health record in the past years has been one of which the town health board is justly proud. This record has been made possible only through the co-operation of citizens with the board of health. However, there always seems to be a number of people who use their back garden for a dump, leaving the streets with an increasing garbage pile. This is a detriment to the health of both children and adults in the neighborhood. Every effort should be made at this time of year to rid the town of every backyard dump. Another aspect of this civic pride and patriotism. Any citizen who deems Georgetown a nice place to live should have a good reason to be a visitor than being kept away and garden overgrown with garbage and the can of rubbish in the town, on the whole, are to be commended on their civic pride; for the visitor here usually gets a good impression. Finally there is the aspect of unemployment relief and circulation of money. Not only does the clean-up and paint-up help improve the looks and the value of the properties so treated, but it also helps a man to accomplish the work it serves its purpose in providing employment for the unemployed. It also helps in increasing the buying power and benefiting business in general. It is a most commendable time to give the premises a thorough cleaning, thereby giving them a new appearance and a clean start for the coming summer.

OBITUARY

A. B. FORSTER

Arthur Howard Forster, proprietor and editor of the Oakville Star, died on Thursday, April 26th, at 9 o'clock on Thursday morning. A severe cold contracted early in the year, resulted in a heart affection, which caused his death.

Mr. Forster had a keen and analytical mind and a penchant for public activity as was the case with the death of his dear little son, William Arthur Blick, who passed away in the town in 1918, aged 25 years. He was in 1918, deputy mayor in 1919, mayor of the town in 1921-22-23. He represented the town in the provincial parliament and was chairman of the board. For eight years he was president of the Trafalgar Agricultural Society. He was a pastmaster of Oakville Masonic Lodge No. 400, and was a member of the local Rotary Club, and for a term was president. He was a member of St. John's United Church and was a firm believer in the hope of a joyful resurrection. In politics he was a staunch Liberal.

One brother, Dr. James M. Forster, of Oakville, and two half-brothers, Newton L. Forster, of Toronto, and Fred A. Forster, of Trafalgar, are left to mourn his passing.

The funeral took place from the home of Dr. Forster, on Saturday, April 28th, at 10 o'clock, with Rev. E. O. Seymour conducting the service at the house and at the grave in St. Jude's cemetery.

JUNIOR GOLFERS ORGANIZE

The junior members of our local Golf Club gathered at the home of Mr. J. H. MacKenzie on Wednesday evening, April 18th, and the following officers were elected for the year 1934: Hon. President—J. A. Willoughby; President—Herbert Hamilton; Captain—Graham Farnell; Treasurer—Robert Foulis; Secretary—Frank Kentner; Handicap committee—H. B. Poulis and J. B. MacKenzie.

It was decided that the Club should purchase a pin for which the members might play every two or three days. In order that competition be keen and in favour of having a prize for the winner of the final tournament of the year a silver trophy.

The Club members are full of pep and anxious to justify the trust placed in them. They are very enthusiastic about their golf.

CARD OF THANKS

Mr. and Mrs. George Blick, Glen Williams, sincerely thank their many friends and neighbors for their kind words and expressions of sympathy; also for the beautiful floral tributes on the occasion of their sad bereavement by the death of their infant son, William Arthur Blick.

MR. LESLIE SEVERELY INJURED

"Frank Leslie, initial car dealer, was killed, and two youths, John Hayhurst and Roy Hildoph, passengers in the motor critically injured when the machine collided with a truck on the Edmonton Trail near Bowden on Thursday evening.

The front fender of the auto caught the truck in the approximate centre of the radiator, and the car was thrown into the air.

The regular meeting of the Women's Association of the United Church was held Thursday at Mrs. M. H. MacKenzie's home. The evening was devoted to other women's engagements, some of the members were absent. In spite of the bad weather, a number of friends transacted a number of items of business.

Sunday afternoon it required four to work transportation for the United Church to Church. The members who led the singing in connection with the service there.

SCOUT NEWS

Last week the second meeting of the two months' competition was held with an almost perfect attendance. With the exception of a few missing gages, etc. the boys have been working to give the troop room a real spruce appearance and their efforts are certainly beginning to show splendid results. The program opened at 8 o'clock with the customary prayer, flag break and troop inspection, and the Troop Leader being absent the first was broken by H. Zimmerman, P.L. This was followed by a game of catch the netter which in which the Troop Leader was victorious by one point. The patrol then retired to their corners for fifteen minutes, which were spent in teaching the tenderfoot tests to the new recruits, who will very shortly be ready for the Inauguration Ceremony. Following the corner station the patrol engaged in a stalling game of flag raising in which both sides were almost evenly matched. However the points went to the Beavers, when T. P. B. Hildoph was tagged out after eight minutes of playing and when the whistle blew for time the Beavers were two points ahead. At this period the Scoutmaster was very short yam on the history and composition of the Union Jack which is part of the Tenderfoot requirements. The patrol then participated in a cock-fight which offered the boys an opportunity for working off their excess energy and in this game the competition was extremely heated. At 12:15 the meeting came to a close with the lowering of the flag by the Beaver P.L. and after tidying up the room the boys left for home.

Over the weekend a very successful and instructive Junior Leaders' Conference was conducted at Guelph, with a large attendance. The 1st Georgetown Troop was also represented by Troop Leader A. Keen and Trevor Williams, Patrol Leader of the Troop. The boys left town Friday afternoon, returning Saturday evening with one of the Headquarters of the Troop. The delegates will report at the next Court of Honour meeting and the Troop feels sure that the up-to-date suggestions will benefit Scouting here in town.

The Court of Honour will be very much obliged if all those non-Scouts in Georgetown, who hold Scout badges in their possession will kindly turn them over to one of the regular members, so that the Troop is making a check up of all badges and insignia before ordering more from head office.

THOMAS BLAKELOCK AGAIN CHOSEN

AT LIBERAL CONVENTION HELD IN MONTREAL ON THURSDAY.

MR. BLAKELOCK AGAIN CHOSEN

At a largely attended Convention of Liberals held at Montreal last Saturday Mr. Thomas Blacklock, M.P.P. of Oakville, was again chosen standard bearer for the Liberal party in Hamilton.

Mr. Blacklock's nomination was made by James Widdowson of Oakville and seconded by W. J. L. Hampson of Essex county. No other names were proposed for nomination.

Liberal Member Sir James Macpherson, Hon. H. C. Nixon and Dr. L. J. Simpson, Liberal members for Centre Ontario, dealt considerably with the leading issues of the day and predicted a Liberal victory in the approaching provincial election.

Mr. Blacklock promised that he would work only in the interests of his constituents, no matter what political leaning. He did not believe that the workman could conscientiously vote Conservative, and gave his approval to Mr. Hapburn's promised parade of high-salaried civil servants.

The beer tax he saw as a political trick frankly intended to "put the Opposition on the spot," but he considered that the Minimum Wage Act was a fair one, and that highway regulations were too onerous on truckers.

"I can assure you that I have been everywhere in this country," he stated, "and I am sure that the Government would not delude the voters. He considered that the Minimum Wage Act was a fair one, and that highway regulations were too onerous on truckers."
