# BRILL'S IS NOW GOING ON

### A Few Words to Our Customers

THIS SALE marks a unique event which may not, perhaps, be noticeable to the average eye. It marks the completion of a FIFTH OF A CENTURY OF STEADY PROGRESS; clean business methods for you and for us; conscientious service and fair values; a Fifth of a Century of devotion to business for the pride of the name it bears! Twenty years! It is a long time; yet our stock is so clean and devoid of old goods, that clever business executives who visit us occasionally remark upon it, saying how many stores just three or four years in business have a worse stock, with a large percentage of poor accumulations. Good luck? No! Just applied study of modern business methods, not by imitating others, but by studying our own problems. Above all through your kind co-operation and appreciation of our services to you. Our motto: "Customers First !" The rest naturally takes care of itself.
