## In the Garden of Eden, planted

There were goodly trees in the apring Trees of beauty and height and grace To stand in splendor before His face. Apple and hickory, sah and pear. Oak and beech and the tulip rare. The trembling sapen, the noble pine. The saceping elm by the river line: Trees for the birds to build and sing. And the lilac tree for a joy in the

TREES

Trees to turn at the frosty call And carpet the ground for their Lord's Trees for fruitage and fire and shade. Trees for the cunning builders trade: Wood for the bow, the spear and the The keel and the mest of the daring

He made them of every grain and For the use of man in the Garden of Then lest the soul should not lift her Prom the stits to the Oliver of Para-God planted a scarlet maple tree.

#### DO THE HARD THINGS FIRST

-Ries Carmen

The hardest duty is the cone you trop putting off. If you want to make any intelerably difficult, just been on postponing it, and every day it will be a little bit harder than it was before Beens folks find it difficult to spotogus for an unkind speech or a discourtious artion. If you belong to this claus, your only safety lies in 4pulogisting as soon as you realise that and it will seem twice as hard but it off a month, and the chances are a hundred to one it will never be spok-

## THE TYPANNY OF PRIENDSHIP

an excuse for tyranny. Because they believe that the government committee on are fond of some one they assume the salesmanship in their report put their right to direct his actions, supervise his opinions, revise his list of friends. and otherwise assume the role of dictator where he is concerned. Bome ployment had risen largely through the
may consider that friendship is worth engagement of those temperamentally ussubmitting to such tyranny, while suited to commerce. So much depends on the doing any work."—New York others are sure that nothing is worth the selection of the right man for the job.

Identical three distributions of the doing any work."—New York the selection of the right man for the job.

others are sure that nothing is worth it. Even if your friend submitts to your interference, however, he does not like it.

Do not make your friendship an excuse for tyranny. Do not assume that it gives you a right to tall another what he should think, or what friends he shall choose. Worth-while friendship are founded on mutual respect, and such respect is incompatible with the exercise of tyranny.

The committee lays stress on the temporation to the requitment of their constitution to the recruitment of their constitution

### CANADA'S CANNED PRODUCTS

Only the choicest and freshest of products are canned in Canada. This is particularly true of the products of canneries engaged in the foreign and interprovincial export trade. In as much as, apart from the care bestowned by the manufacturers, these canneries operate under the Meat and Canned Poods Act which is administered by the Dominion Department of Agriculture, on the one hand by the literature of the manufacturers of the careful to evertasing servitiry, a mascular hand of a famous time to evertasing servitiry, a mascular hand of a famous time to evertasing servitiry. The control of the manufacturers of the carther than the four quarters of the carther than t likelith of Animals Branch for mest divorce on the grounds that his wife's sails vine. He then gove to elsely with regard to canned fruits and vegetables. For a few years following the introduction of canning on a commercial scale in Canada in 1878. the cans were made by hand, and when the machine-made cans were introduced, the tope were soldered on. In 1910 the soldering was dispensed with and the present type of sheetron can, coated with tin. was adopt ed. For canning acid fruits nowa-days, enamel-lined cans are used.

# CANADA'S APT PUPILS

Canada taught several European ments, which take him to all parts of nations all there was to know about the country. the silver fox industry and they proved apt pupils.
