On Thursday evening the Court of Honour held its first Autumn sitting at the home of the Booutmaster, where arrangements for the new two months' competition were planned. Also plans were made for the Boy Bcout Apple Day which is being held throughout Canadis this year on Baturday, Oct. 13th. Judging from the support given them last year by the citizens of Georgetown, the troop feels that it can look forward to even greater success this Oct. 13th.

To with much interest. Those with slonder waist lines received most value for their maney, as the admission fee was determined by the size of the waist. The support tables were bountifully supplied with good thing to eat, and the programme following was a very enjoyable clasing to a very pleasant evening.

The many friends of Miss Jessle McKny were delighted to learn of her appointment to the staff of the Turnous day last.
