Poultry Field Day at the  
Central Experimental Farm

A special poultry field day on the  
finishing, dressing and grading of  
poultry will be held at the Poultry  
Division, Central Experimental Farm,  
Ottawa on October 19th.

Demonstrations and lectures will  
be given on fattening, feeding, prop-  
erty, mate feeding and crate feeding  
practices, killing and plucking, and  
grading of dressed poultry.

Farmers and poultrymen who  
would be interested can secure pro-  
gram or other through the Experi-  
mental Farm or by notifying their local  
Agricultural Representative.

The Wild Oat crop seems to have  
come through the drought quite well.

## HALTON CONSERVATIVE HELD ANNUAL MEETING

At the annual meeting of the Halton Conservative Association held at Milton last week, the following officers were elected for the coming year: President, L. E. Plock, Georgetown; vice-president, Lloyd Dingle, Burlington; treasurer, Arthur McLean, Milton; secretary, Geo. Elliott, Milton. The following will act as an advisory committee: President, Secretary, Arthur Allen, Burlington; Vice-President, Mr. H. M. Andrew, Ancaster; Honorary Dr. H. M. Andrew, M.P.; addressed the large gathering. The natural products committee presented their report and placed their produce on the market in an orderly way—not dumped on all at once," he said. "The Paris Loan American Fund was received with the usual enthusiasm and interest." Plans for the coming year were discussed. W. H. Davis, of Guelph, warmly thanked his friends for their loyal support on June 19. A motion of endorsement of Senator Bennett and his government was carried heartily.

## ELECTION EXPENSES

According to statements published last week, election expenses of T. A. Blacklock, the liberal candidate in the Provincial election were \$7000; Mr. W. H. Davis reported \$6200; and Mr. H. B. Hetherington, \$2100.

## BABY ALIMENTS Relieved!

"Baby's Own Tablets have been the only tablets my baby has taken since he was born. He has had no diarrhoea. It is necessary to recall that he was born in the middle of winter when the baby or young child especially needs a good diet. Baby's Own Tablets contain a definite adaptation, salt or starches of vegetables, etc., giving the baby a full meal. Price size 12 oz. drug stores. 100 B.Williams"

## BABY'S OWN TABLETS

For their "harvest home" offering the members of the First United Methodist Church congregation Dundalk decided to give ten pounds of grain for every acre they had in crop, and the amount of grain given amounted to over seven tons. The grain was sold to H. C. Moody of Dundalk, and the funds will go to swell the coffers of the church. The idea was originated by the church pastor, Rev. A. H. Terry.

Not to our knowledge  
Brethren there is a girl with soul &  
dead. Who never to herself has said:  
"I'm overweight, but for the best."  
My remembrance to Mac Wee."

The Georgetown Herald, Wednesday Evening, October 3rd, 1934.

## LOCAL COUNCIL OF WOMEN HELD ANNUAL MEETING

A most delightful meeting was held at the beautiful home of Mrs. W. W. Wilson, Mrs. Wilson, Mrs. McLean and Mrs. Walker. After reports of various committees had been given and the general business transacted, the president called upon Mr. W. H. Davis, president of the Brampton Council, who was present. Mrs. Wilson was then asked to give a short talk on the work of the Council. Mrs. Wilson's speech was excellent and most interesting to all.

On behalf of the Council, Mrs. Wilson expressed hearty vote of thanks to the visitors for their splendid reports, our president replying with some very pleasant words.

On the motion of the Council, Mrs. Wilson was then asked to give a short talk on the work of the Council. Mrs. Wilson's speech was excellent and most interesting to all.

Lord, I am glad for the great gift of living—  
Glad for Thy days of sun and of rain;  
Grateful for joy, with an endless thanksgiving,  
Grateful for laughter . . . and grateful for  
pain.

Lord, I am glad for the young April's wonder,  
Glad for the fulness of long summer days;  
And now when the spring and my heart are  
awaken,

Lord, I give thanks for the dark autumn  
ways.

Sun bloom, and blossom, O Lord, I remember,  
The dream of the spring and its joy I recall;

But now in the silence and pain of November, Lord, I give thanks to Thee, Giver of all!

—Charles Hanson Towne, in Quotable Poem.

It is quite apparent that the international boundary line is no barrier to certain forms of tourism. In 1933, 1,700 tourists entered Canada last year from the United States. Present indications are that 1934 totals will be even higher. Travellers via land are heavier so far than for any year since 1930. A single day record for this part of early was created by 10,000 tourists who came in by car and 40,000 automobiles were handled during the first four days of July. At Windsor, Ont., trains by ferry, bridge and tunnel for the four hours between Niagara Falls handled 31,000 cars inward. The simplicity of facilities with which tourists are provided to comply with the border regulations for the high volume of traffic.
