## GIVE ME STRONG WINGS

O give me spirit wings like wild  
In strong flight against the far  
flung sky;  
In patience wait, when little things  
are trying  
And little flames of faith clear,  
With high and high.  
Let dead dreams fall—air my heart,  
To new dreaming—  
The past forgotten, open my dulled  
ears.  
To newer symphonies; with strong  
wings gleaming  
Let me rise to the challenge of the  
years.
