The trail lies shead. Then follow, ye who dare.

This concluding lesson of the year intended to serve as a review lesson for the three months' course on fifth chapter of the first epistic of John affords a convenient basis study because it suggests several tests of Christian experience and growth.
The first is the test of belief or faith. "He that cometh to God must believe that he is and that he is a rewarder of them that seek after him." If one does not believe in God, it is ing upon an open door. "The word is idle to seek to know him. In like night thee, even in thing heart." The manner the Ohristian faith has a spirit of man is the candle of the fact basis. That Jesus lived and died, Lord and God's Spirit may touch our that his teachings have been preserv- spirits.
