IN MEMORIAM
THOMPSON—In loving memory of
Mrs. Thompson, who departed this
life January 11th. Her memory is all we have.
We truly hope she will never die.
Who did so very truly live.
Expressing such faith and hope as he
was given, after all, could anyone give.
—Her Sister Greta.

W. C. T. U.

The W.C.T.U. met at the home of
Mrs. W. Deane, Charles St., Friday
evening last to begin the work of the
new year.

The president, Mrs. Venetia Neary,
occupied the chair, and in the absence
of Miss Coventry, the opening exercises
were conducted by Rev. Mr. Venetia
who read a selection from the study
book "Jesus and Ourselves" by Wesleyan
and let the gathering in prayer. Mrs. Spaight brought a
beautiful bouquet of flowers which made a fitting accompaniment to the
devotional study.

An announcement was made of the
coming of Mr. M. J. Marshall, Provincial Field Secretary, who will be
in Georgetown the week of Feb. 28th.

Circular letters were received from
Mr. Smith and Mrs. Hartwell, written
in reply to messages of sympathy
received during recent illness from our
United States friends.

The president's reminder that annual fees are now due brought the usual cheerful response, as did also the reminder that payment of the household pledge card which read thus: "Dealing that our home may be a sanctuary in the midst of life's trials, we are anxious that its influence is injurious to the individual, a menace to the home, and an enemy to the nation, this household does not come into the fold of the W.C.T.U. for welfare purposes within its walls."

Marshall was also made a suggestion
presented by Dr. Jennie Smiley,
in an address before one of the
annual meetings recently. The speaker urged all temperance-minded
organizations to place before the government the necessity of making the
task of the Royal Commission on
conclusory in both Public and High
Schools, and of including it in the
list of examination subjects.

At the conclusion of an interesting discussion, Mrs. A. Reeve closed the meeting with prayer.

The February meeting will be held
at the home of Mrs. C. B. Dayhoff.

Town Council Meetings

LAST MEETING OF OLD COUNCIL
AND FIRST OF NEW — MAYOR
GIBBONS' INAUGURAL AND
CITY-CO-OP. BANK
EXPRESSIONS APPRECIATION
ADJOURNED TO MEET JANUARY
1ST.

The first Council met at 11 o'clock
and Members present: Mayor Gibbons, Rev. Cleave, Councillors A. H. Spaight, O. Davis, J. C. Anderson, Mr. Blackburn, Mr. W. Ward, Mr. Macrae.

The members took a declaration of
office. Mayor Gibbons in his inaugural
address to members of Council and
citizens said: "It is a pleasure for me to
have you here tonight. I have been
a member of the former Council for
many years and I have been associated
with many of you. I am sure that
you will be representative of the
Wards in which they have been elected.

In asking for the co-operation of the
members of the Council I have
asked you to agree to give your
best efforts to the protection of public
policy; but I would appreciate the
continued punctuality and regular attend-
ance of all members of Council. I hope
that all these will be familiar with the
work. In return I shall make a special
effort to attend meetings of the
Wards to which you have been elected
and for your attention."

It is a pleasure for me to announce that the
citizens of Georgetown that the financial
situation is much improved. We have
improved our credit position and
the bank loans are steadily decreasing,
but unless the treasury department
can make a current loan available
we are in danger of losing our
Municipality. Our debtors indicated
that the new rates will be higher than
the last rates. The game had all
these factors in mind when they
voted to increase the rates.

The game has barely time to settle
when the new rates were voted and
they stayed a couple of months before
Vowel Shirts could get started. It
was a different team out there than
in the previous game.

It is a pleasure for me to announce that the
treasury department can make a current
loan available. Our debtors indicated
that the new rates will be higher than
the last rates. The game had all
these factors in mind when they
voted to increase the rates.

I suggest to the members of this
Council that they add to the
policy decided upon last year by a
majority of members discontinuing
civic grants; this has meant considerable
losses to the town. I hope that the
game will be more familiar with the
work of the Civic Department.

In the near future it is my intention
to introduce to you for your consideration
plans and specifications for a
better street lighting system in the
town. I hope that the game will be
more familiar with the work of the
Hydro Commission if the Council decided to
proceed with this civic improvement.
