

HIGH PRESSURE LOW TEMPERATURE PROCESS

It's Sasy-Proof, Men! And You Know What That Means In A Rabber Book You know it means longer wear, more comfact and theaper footwear.

You know it meens you will not have to buy rabber boots as often as before, because Life-Hoop Being Free!" boots will last you longer.

The Kanfman laboratories have found the way to cure rabber without the perishing heat used beretefore. The LIFE and elasticity are left to Life Buoy Rubber. A specially weren fabric base is used, every fibre of which is permeated and imprognated with purest fluid rabber. This means a moisture proof, non-retting base for the highgrade Kaulman-cured rubber surface. There to no exhalitate for Life Bespe.
