

LIFE-BUDY

Yes men, they're snag-proof!

HIGH PRESSURE LOW TEMPERATURE PROCESS

It's Snag-Proof, Men!

And You Know What That Means Is A Rubber Boot

You know it means longer wear, more comfort and cheaper footwear.

You know it means you will not have to buy rubber boots as often as before, because Life-Budy "Snag Proof" boots will last you longer.

The Kaufman laboratories have found the way to cure rubber without the perishing heat used heretofore. The LIFE-BUDY and elasticity are left in Life-Budy Rubber.

A specially woven fabric base is used, every fibre of which is permeated and impregnated with special rubber. This makes a moisture-proof, snag-proofing base for the high-grade Kaufman-made rubber surface.

There is no substitute for Life-Budy. They call for them by name.

Georgetown Juniors Win the N.W.H.L. Championship

DEPRAY ERIN IS 3 ON ROUND —JUVENILE CHICKS UNDER WAY

Championship of the N.W.H.L. today belongs to Georgetown. The team, coached by Dr. J. J. Macdonald, defeated the Ottawa team by a 3-1 victory over Erin in the final game of the series. The game was played at the Ottawa rink on Monday night, and the Georgetown team, led by Depray, Erin, and Macdonald, dominated the play from start to finish. Depray scored three goals, Erin one, and Macdonald one. The Ottawa team, led by Macdonald, scored one goal in the second period. The game was a hard-fought one, but the Georgetown team's superior play and teamwork proved to be the deciding factor.

HOUSING PLAYER KILLED ON WAY HOME TO PLAY GAME

When two cars collided head-on on the Centre Rd., one-half mile north of Ottawa, on Monday night, a young man was killed and two others were seriously injured. The fatal case is that of a young man named [Name], who was on his way home to play a hockey game. The accident occurred at a busy intersection, and the driver of the car in which the young man was riding was unable to avoid the collision. The young man was pronounced dead at the scene. The other two young men were taken to the hospital, where they are recovering from their injuries. The police are investigating the cause of the accident.

Do You Want Your Daughter To Be Pretty?

Here's how one girl put roses into her cheeks and rounded out a thin face

Mothers who are anxious for their daughters to be happy and attractive will be interested in the story of a certain young girl who was pale, run-down, underweight, and who was a competent authority to have her blood treated. She weighed only 95 lbs. Her blood was too poor in quality to keep up her strength, weight and vitality. Her blood was below normal in the number of red corpuscles and in vital necessary hemoglobin. She was treated by two of Dr. Williams' Pink Pills (so called because they have a pink sugar coating) three times a day for three weeks. Her blood was now normal in every respect. Her weight had increased to 125 lbs. Her face had rounded out and she was positively pretty.

Charming color and soft clear skin developed almost entirely upon the blood, because the blood carries the vitality and life-giving elements to every part of the body. The soft, clear skin of every pretty baby is proof of it. And the girl mentioned above has had the same good looks which have been lost through impoverished blood can be restored by the use of proper remedy. There is no need for so many pills to endure a slow, uninteresting complexion nor to remain listless, nervous and easily tired out. For when these are symptoms of blood that is lacking in vitality, Dr. Williams' Pink Pills will restore strength and give you up good looks, too! Equally effective for people of all ages. Full size box 50c for your nearest drug store.
