"Nobody'll bother destination. The price delivered on you here." Georgie stripped Bertie to his shirt

and himself to his singlet and shorts. "I nught to sock you," he snapped at a much chastened Bertta, who, seasing the righteoneness of a baiting from Georgie, expected the worst. He let out a yell of fear and dashed from the room. Georgia roared in exasperation and charged after him into a deserted bundle room just in time to see Hertie disappear down a bundle chute in the floor. Hertie shot out of the chute onto a long smooth table. He tumbled hast-

ily off and ran for an open door that led out on the street floor. There was an opening in the wall. He stepped into it quickly and all at once there was peare and quist. Meanwhile Georgie was upstairs four in the afternoon. This does not

"It's been a very warm day," the man sald, sidling away. "Just a minute please." Georgie didn't weit. He decided to get a policeman. He went outside but there wasn't one to sight. He became conscious of a thick gathering before one of the windows. l'erhaps he might be there. Georgie pushed his way through the crowd.

He glanced in the window, and his stomach turned right over. Bertle was in that window. It had once been a beautiful bedroom suite display, but it wasn't any more. It was upast like Bertie's mother's bedroom at home. The highboy drawers apparently had been used for a stepladder, and Bertle had evidently been climbing up on them, and had leased
