The Dramatic Club of the Y.P.R. of the United Church are now quite ready for their contest with Ashgrove, which is to take place on Wednesday evening. Here's wishing our boys the best of luck.

The recent cold snap has asserted what would have been a flood had the mild weather continued. The ice is piled very high and has caused a jam above the ninth line.

The Ladies' Aid of the United Church will hold a 3 months' Patrick breakfast which is to take place on Wednesday of the church on Friday, March 15th. There will also be a sale of home-made baking. Every welcome. Admission 10c and 15c.

LIMEHOUSE

News for this column has been neglected for the past four weeks owing to sickness. Glad to report improvement and trust it may continue.

This month's regular meeting of the Women's Institute was held at the home of Mrs. Wm. Cowdy, the president. The hand-sawing benches were invited and turned out in large numbers. An excellent program was given. The principal contributor being Mr. Dayfoot from Georgetown, who gave a practical demonstration on the saw.

The mild weather and high water has made it possible to operate the saw mill again and some excellent lumber is being turned out.

Quite a number from the village attended the sale of Mr. McEwen's sale last week at Terra Cotta.

Mr. Bird was a former valued member of the community, more than usual interest was shown when it was learned he was leaving this part of the country. A good sale was the result.

Mr. Mark Diven was the winner of a suitably engraved diploma from the Canadian National Exhibition showing he was the owner of the best mare in harness at last year's show. This makes a valuable addition to his mounting list of trophies won by these beautiful horses.

Three car loads, members of the Harmony Club young people's group of the United Church, motored to Georgetown Monday and enjoyed the evening with the United Church group. There. A short program was given by Limhouse. Those taking part were: Charles Douglas and William Johnson, vocal quartet; Helen McEwen, piano solo; Helen McEwen, piano duo; Norma Stephenson and Elsie Davis, piano duo; Dick Parker, Kenneth Stephenson, Norma Stephenson and Elsie Davis, vocal quartet, and Mrs. Stephenson gave an interesting talk. Following the program games were enjoyed and a social hour was spent over a dainty lunch was served by the Georgetown group.

Crows and other spring birds are floating around, which make us think spring can't be far away.

Great preparation is being made for the funeral of the late Mrs. L. E. Packer, which will be held in Burlington on Friday evening. Our groups were most successful last year, winning some of the highest honors, and are again in training under Mrs. Cowdy's able leadership.

Owing to ill health Mr. W. A. Lane has given up farming for this year. Mr. Ward Ruddle will work his land.

We understand Mr. A. G. M. Bryson has leased his farm to Mr. Healy of Cheltenham, who will move there shortly.

News received from Mr. Harold Johnson during the week from North Country says it's anything but spring there. Nearly 3 ft. of snow and temperature ranging from zero to 10 and 12 below. But there is no sickness and everyone seems happy and well.

Considerable interest has been taken in local hockey this winter. Both Georgetown and Acton teams have provided some real entertainment, and are to be complimented on their success.

—Have you renewed your Herald subscription?
