Do You Want Your Daughter To Be Pretty?

Here's how one girl put roses into her cheeks and rounded out a thin face. Mothers who are anxious for their daughters to be healthy and attractive will be interested in the story of a certain young girl who was pale, nervous and thin, when she went to a competent authority to have her blood tested. She weighed only 115 lbs. Her blood was too thin to keep up her strength, weight and vitality. Her blood was below normal in its composition. The fact that her blood was too thin to keep up her strength, weight and vitality. Her blood was below normal in its composition.
