DEAGNOSIS

An aged man at the union station Discussed the business sitch-es-ation. I said that things were mighty bad. And somehow or other it made him That aged man, he tapped my kneethings?" asid he. "I've ben in fights," and the old boy glared. "And I always got whipped when tool scared Folks have forgot how to stand an When hard luck socks 'em on the chin There's too much grownin'-not emough laughs-

Too many creps hangers, too many prephi-It sure don't help a sick man's heart To think of nothin' but his fewer chart. There's too many experts tellin' how The whole blame world is on the bum There's too many people with an alibi. I'd ruther listen to a darn good lie! As soon as folks duit hanging crops " You'll see business is in dam good

Minbe ! I've got no use for golf as a game, But I speak the language, just the There's too few drives, an' too many putte-Plenty cold feet, and not enough gutaf You sin't my son, but if you was I'd dars soon teach you not

He wan't cultured and his sords But the old boy seemed to know his

STATISTICS PROVE

"Bialistics prove" so many things. The sim of town, the height of kings The sae of children in the schools. The skull development of fools,
The salaries that patrons set,
The number of abodes to let.
The wealth of lucky millionaires,
The price of hens and mining shares All things below and things above. It seems to me, "statistics prove." Apprelied a single violet,
Measured the glances of an eye.
Or proved the sorrow of a sigh. Statistics never caught the gleam That dances on a meadow stream. Or weighed the anthem of a bird in forest sistes devoutly heard. Bististics never proved a soul. In high or low, in part or whole tion, beauty, passion, honor, love -Amos R. Wells in "Life."

Wise, strong-hearted leaders, dogs with an uncanny trail sense—of these they tell. There is not a man in the gathering who does not owe his life to the grit and endurance and sagacity of some lead-dog; and in the possession of nearly every speaker, is some veteran of the trail, pensioned to a life of ease.

It gives them away, these dour,

It gives them away, these dour, (b) In the Counties of Essex, Ment, crusty-appearing old sourdoughs, when one finds some half-blind, decrepit aled dog, crippled from countless fights and freezes, hobbling about the cabin after his master and receiving now and then a low-spoken word of recognition or oughly-tender pat. I shan't forget my first experience of this kind of insight into character.

(b) In the Counties of Essex, Hent, Elgin, Norfolk, Haldimand, Welland, Lincoln, Wentworth, Brant, Oxford, Middlesex and Lambton, from the 18th day of April, 1935, to the 15th day of April, 1935, to the 15th and Muskoka, from the 1st day of April, 1935, to the 30th day of April, 1935, to the 30th day of April, 1935, to the 30th day of April, 1935, inclusive 1935, inclusive.

A somen friend and I were en route from the Kuskokwim River to the Yukon, travelling alone with our nine aled dogs. An unexpected them had caught us, and we had had a particularly bad day on the trail. For hours we had been wallowing through

slush ice and saturated snow behind our exhausted dog team. Chilled and soaking, we hailed Shorty Waymire's cabin just at night-fall as a haven of refuge. There we could be sure of warmth and food and shelter. Eskimo boys unharnessed and cared the cake is one of those delicious fruit loaves that would improve with age out quastion whatever was set before it for more than a few days.

Then, famished, ready to devour without you could manage to keep any of it. We issued into the other room from which came the tantalising fragrance of boiling coffee. "There's the coffee. Help yourselves to whatever other grub you want." said Shorty curtly, indicating a wellstocked cupboard. "I ain't never cooked for women yet, and I'm not Our spirits sank. Bones and muscles eched. We wanted only to eat
